FOREWORD

Life is a continuous climb—an ascent into the dark unknown that stretches infinitely upward. The infant begins the climb on broad, even steps that become steep and treacherous as he grows older and climbs higher.

Living becomes a struggle to make the next step. Only the strong finally look down from the heights above the rest with satisfaction in knowing that life has been good. They are where they wanted to go.

Everyone is granted character and ability at birth—strength that must grow in the climb to maturity or be lost. High school is the last step the maturity where strength grows from a glowing ember to suddenly burn brightly, lighting the way on the long climb ahead.

Limestone Community High School is the world in microcosm. It is a world of success, challenge, learning, anxiety, laughter, and concern for the future.

Success at What We Do

"One thing is forever good; that one thing is Success."

Emerson

Challenge . . .

in Class

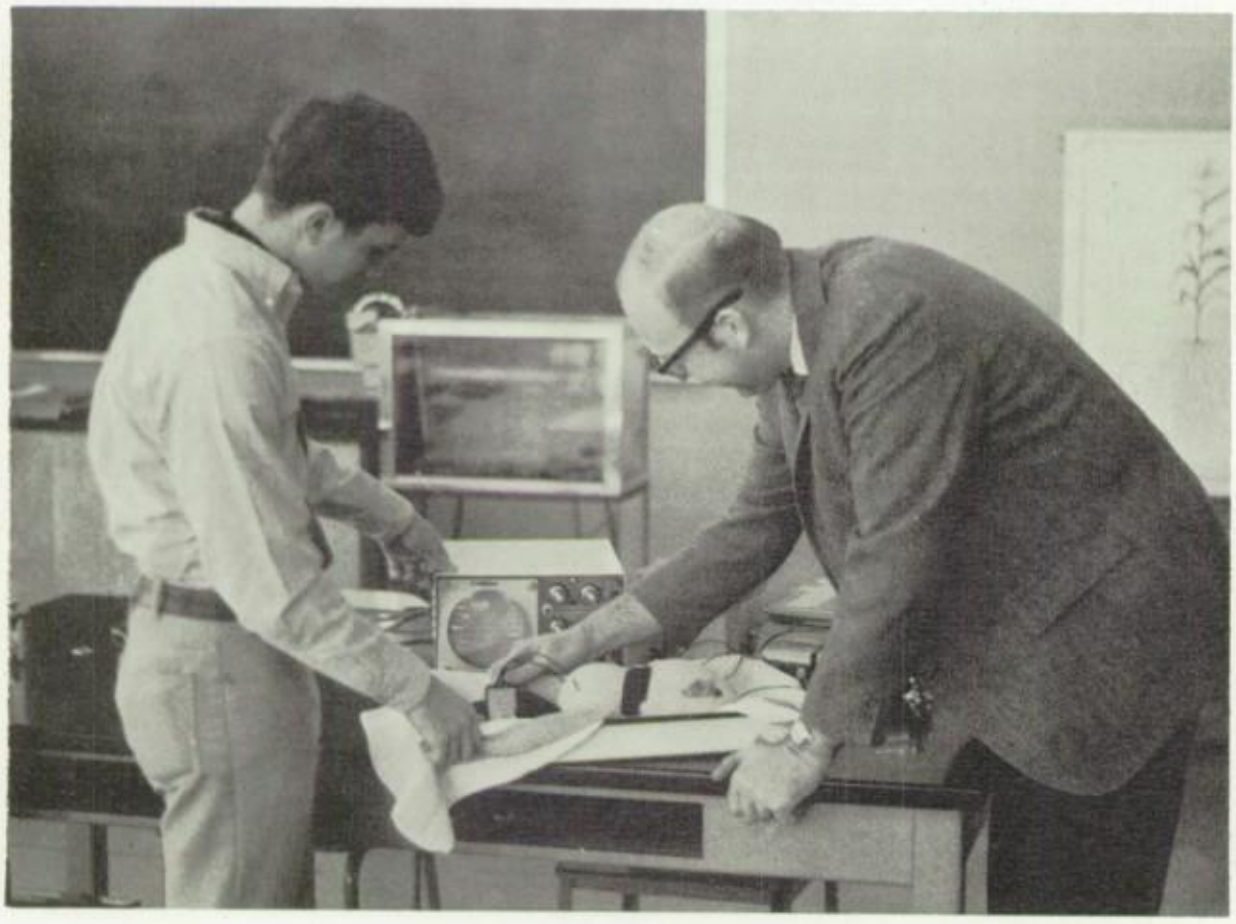
at Play

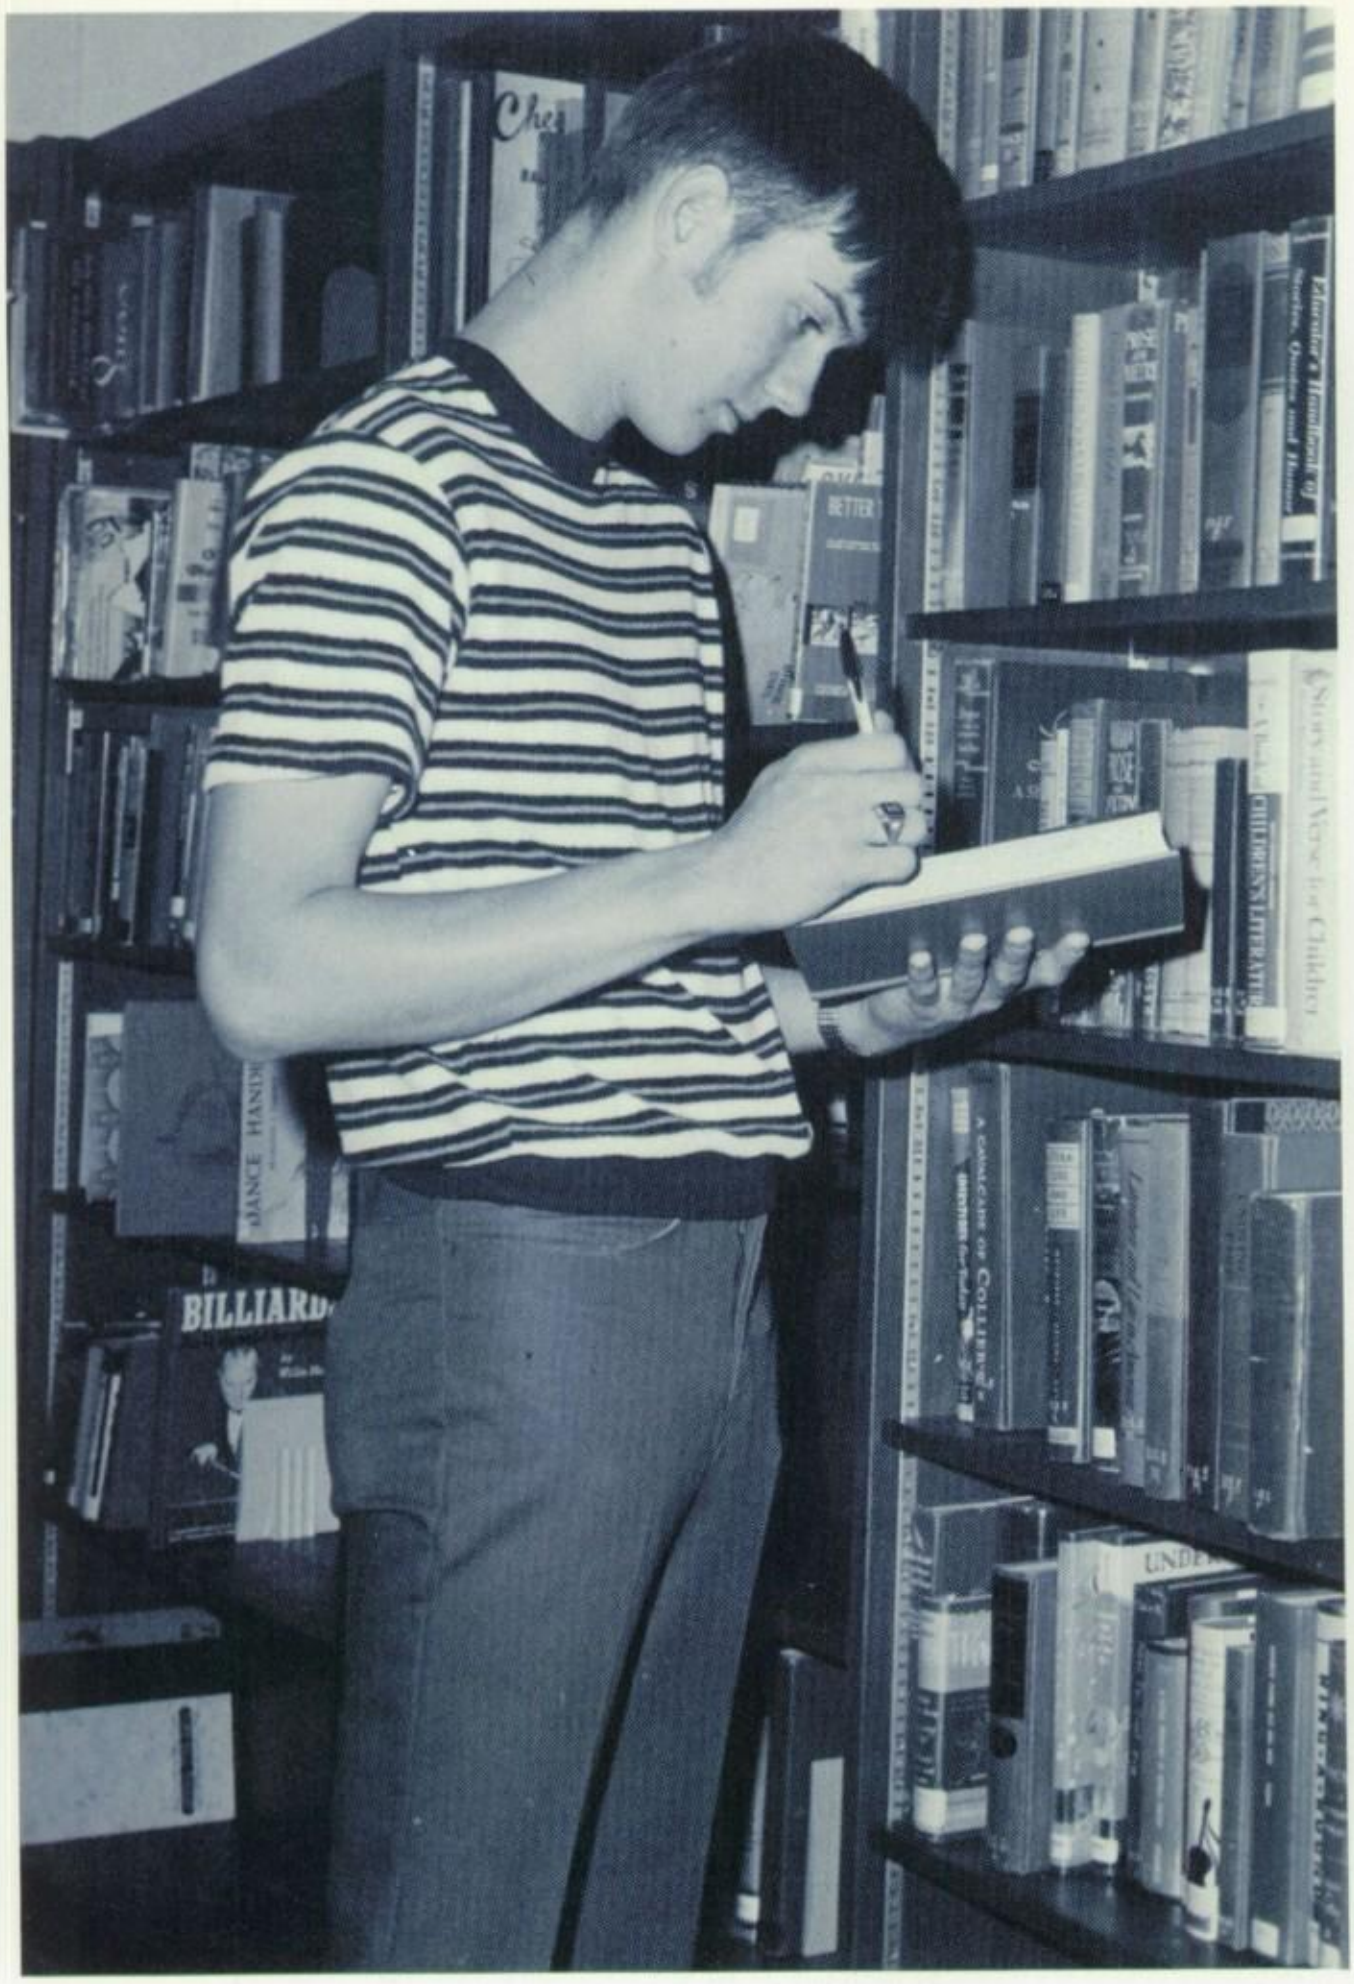
"Destiny is not a matter of chance, it is a matter of choice; it is not a thing to be waited for, it is a thing to be achieved."

W. J. Bryan

"Chance never helps those who do not help themselves."

Sophocles





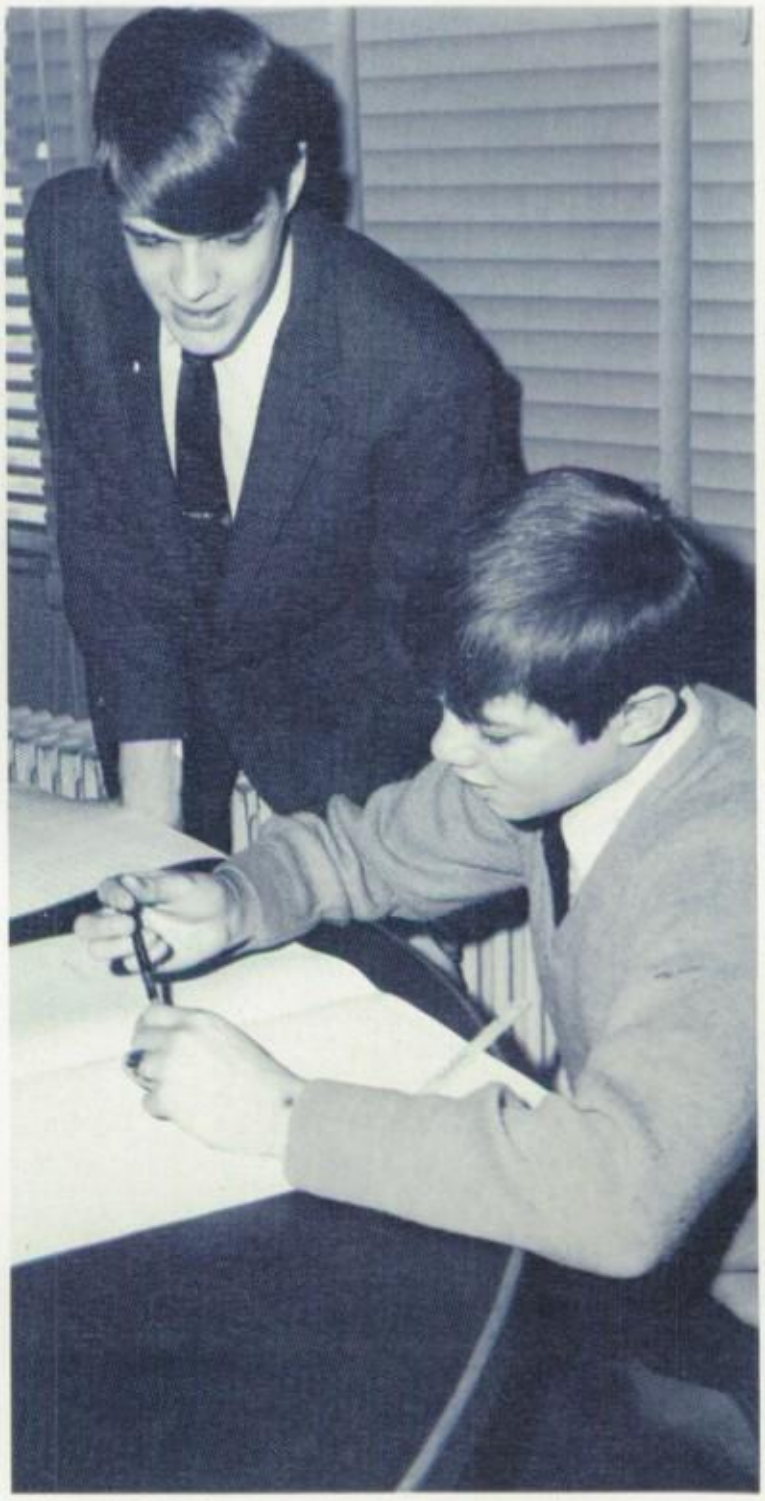
"I have learned silence from the talkative, toleration from the intolerant, and kindness from the unkind; yet strange, I am ungrateful to these teachers."

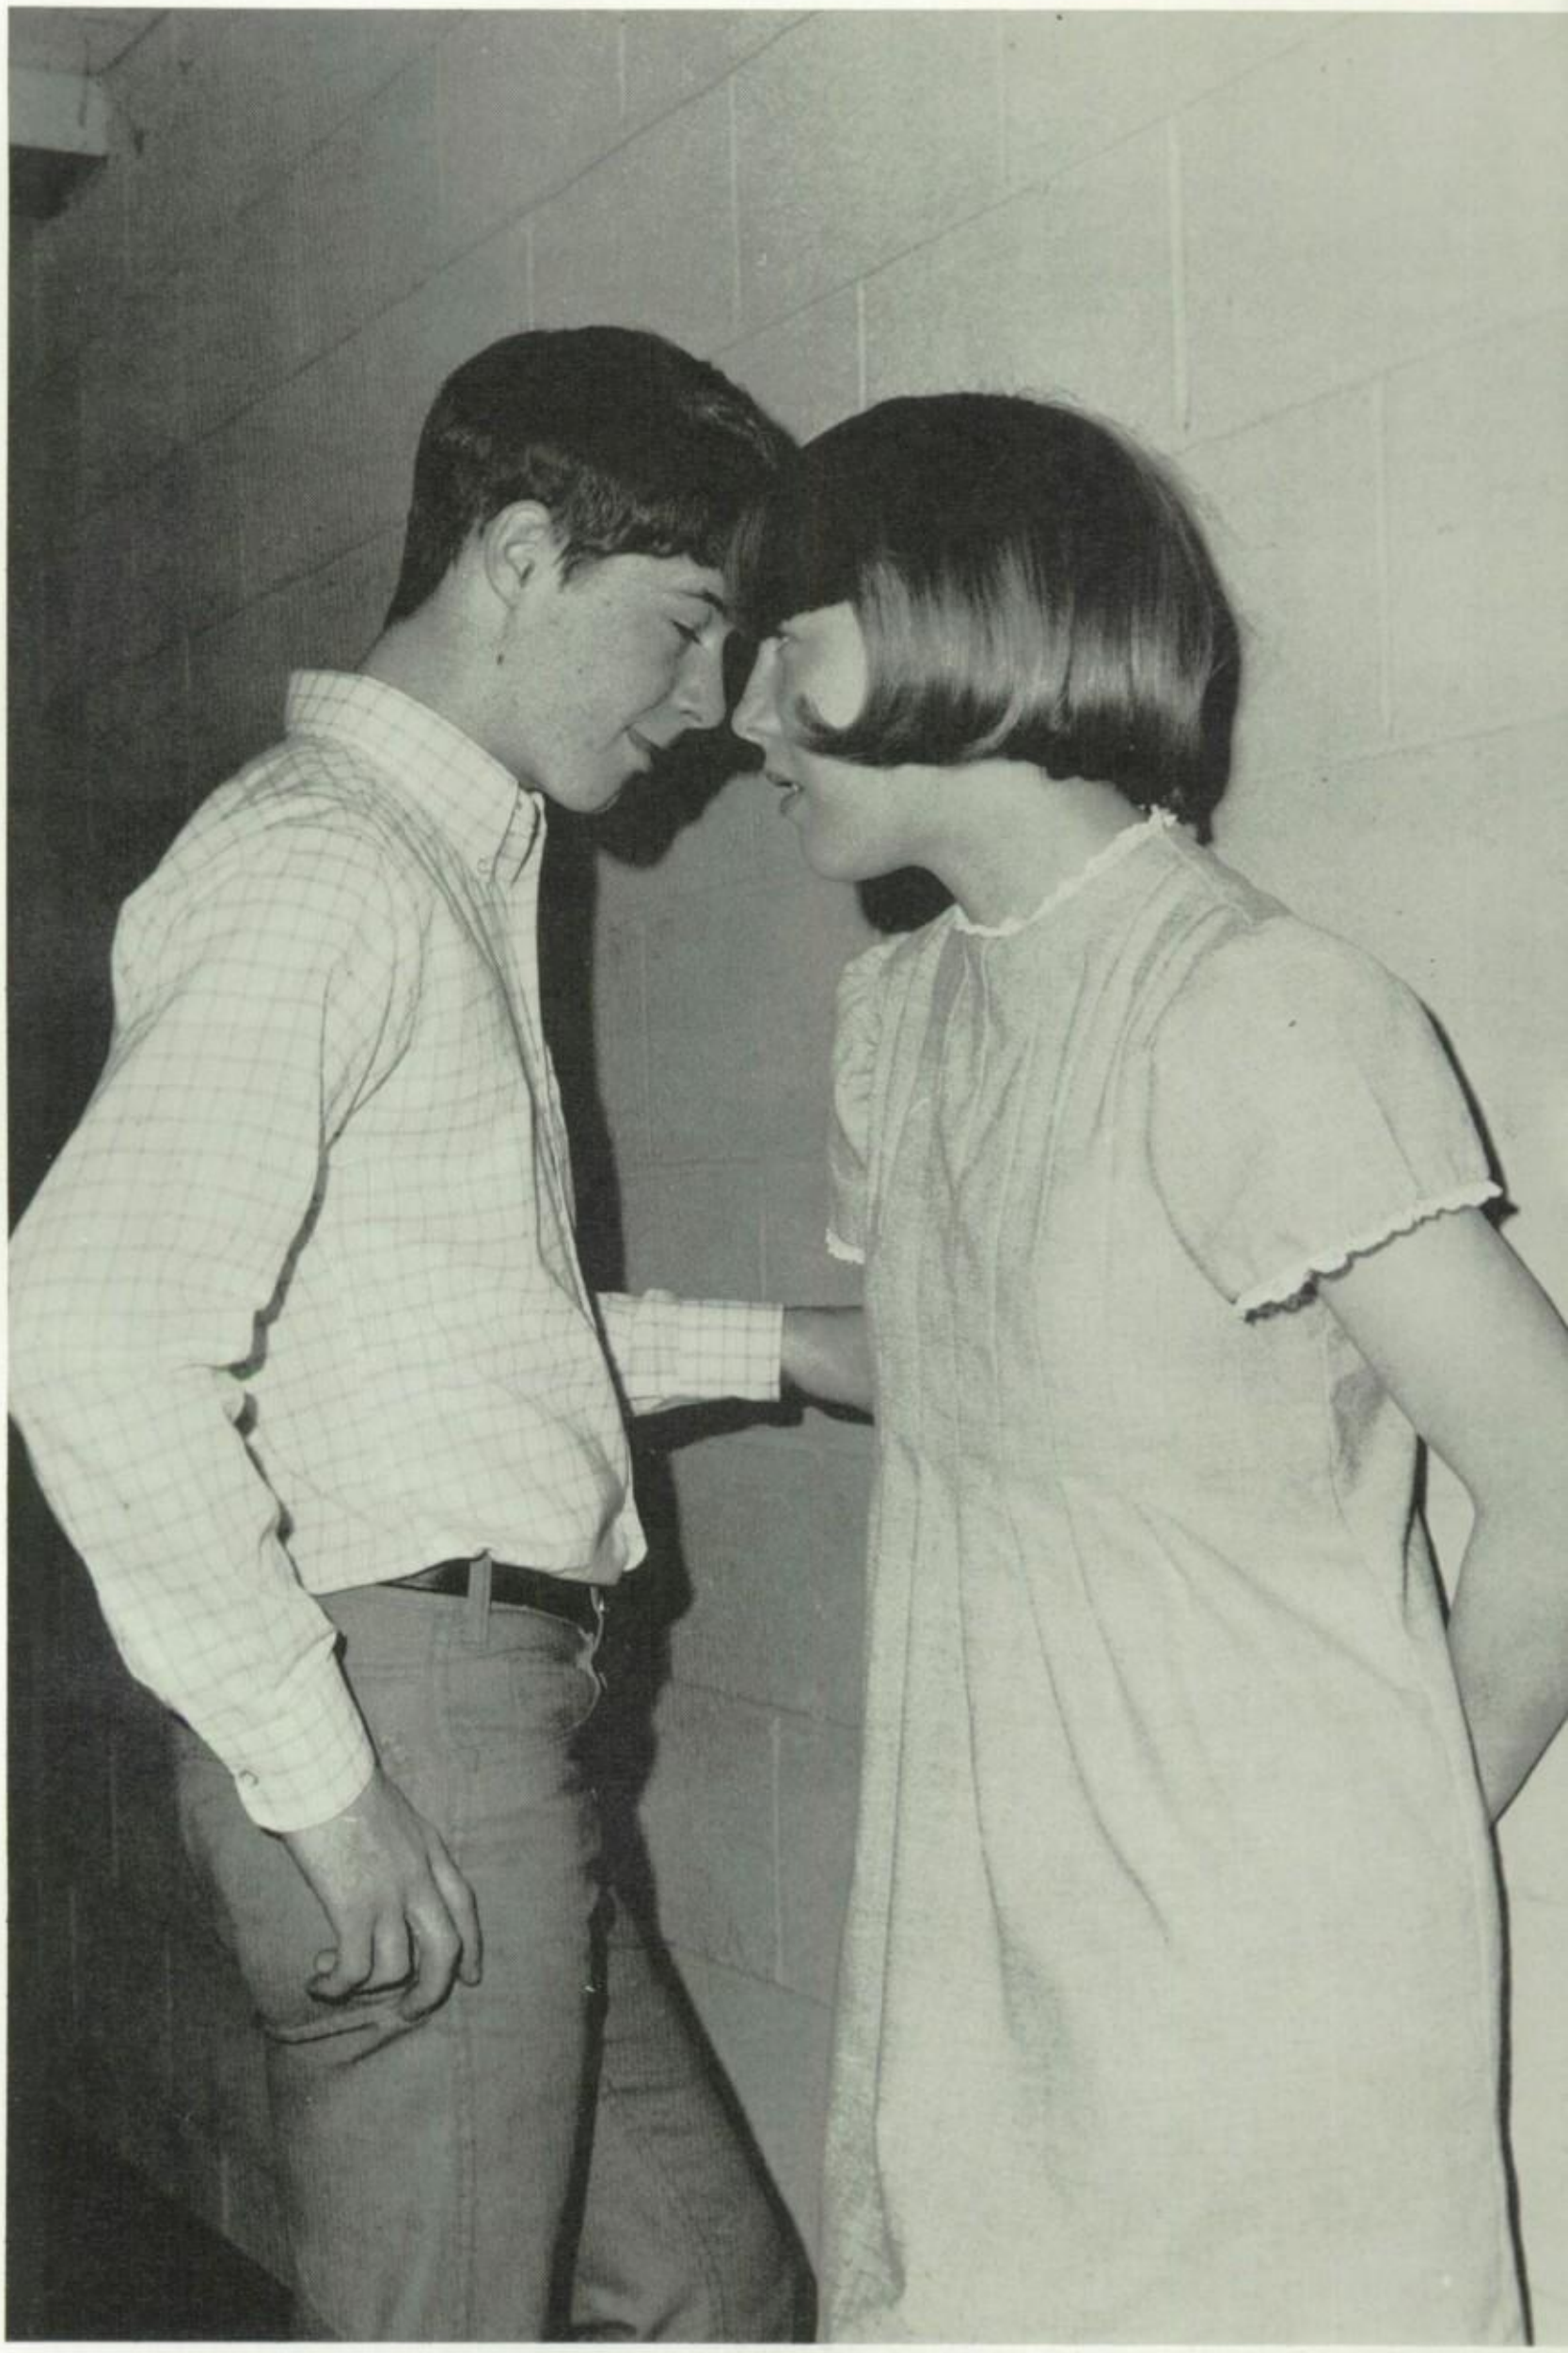
Gibran

Learning for a Better Tomorrow

"Three foundations of learning: Seeing much, suffering much, and studying much."

Catherall

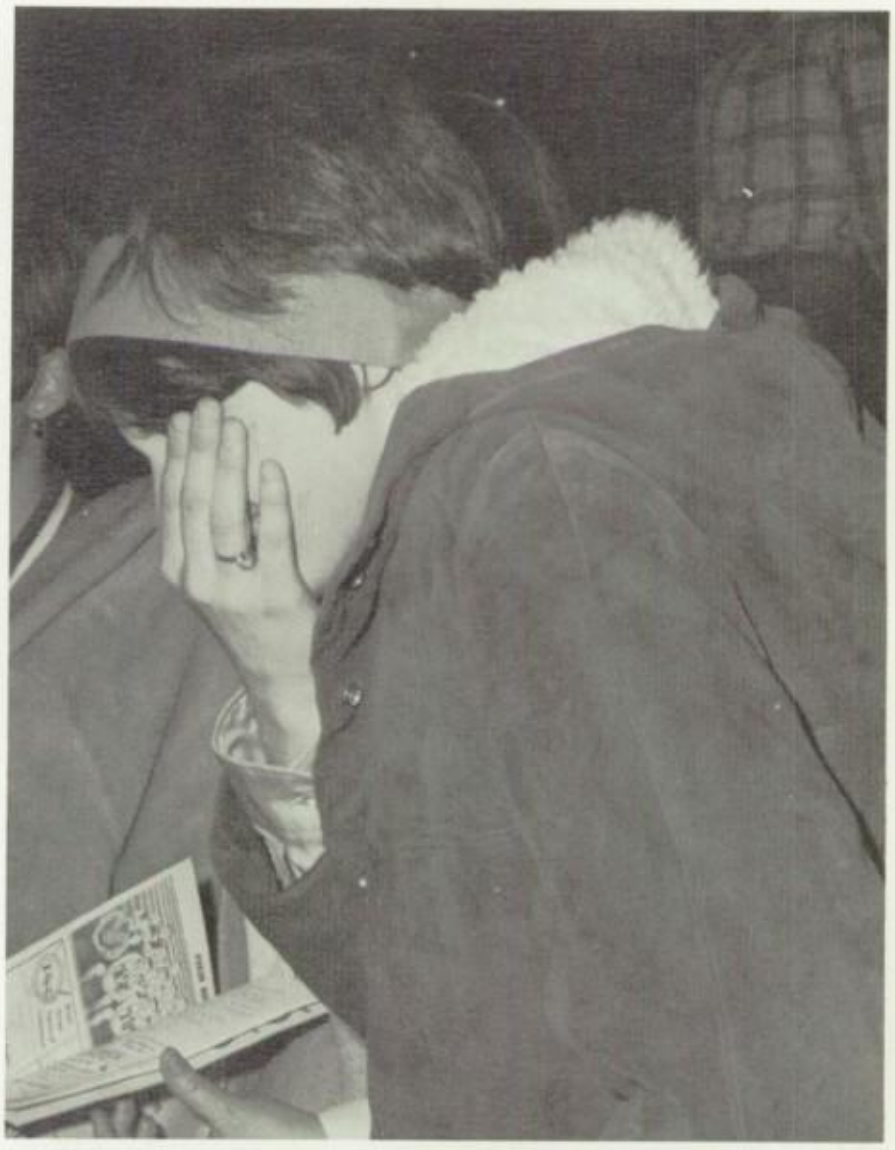




Anxiety—Mixed Emotions

"The wealth of rich feelings— the deep—the pure; with strength to meet sorrow, and faith to endure."

Osgood



"Some feelings are to mortals given with less of earth in them than heaven."

Scott

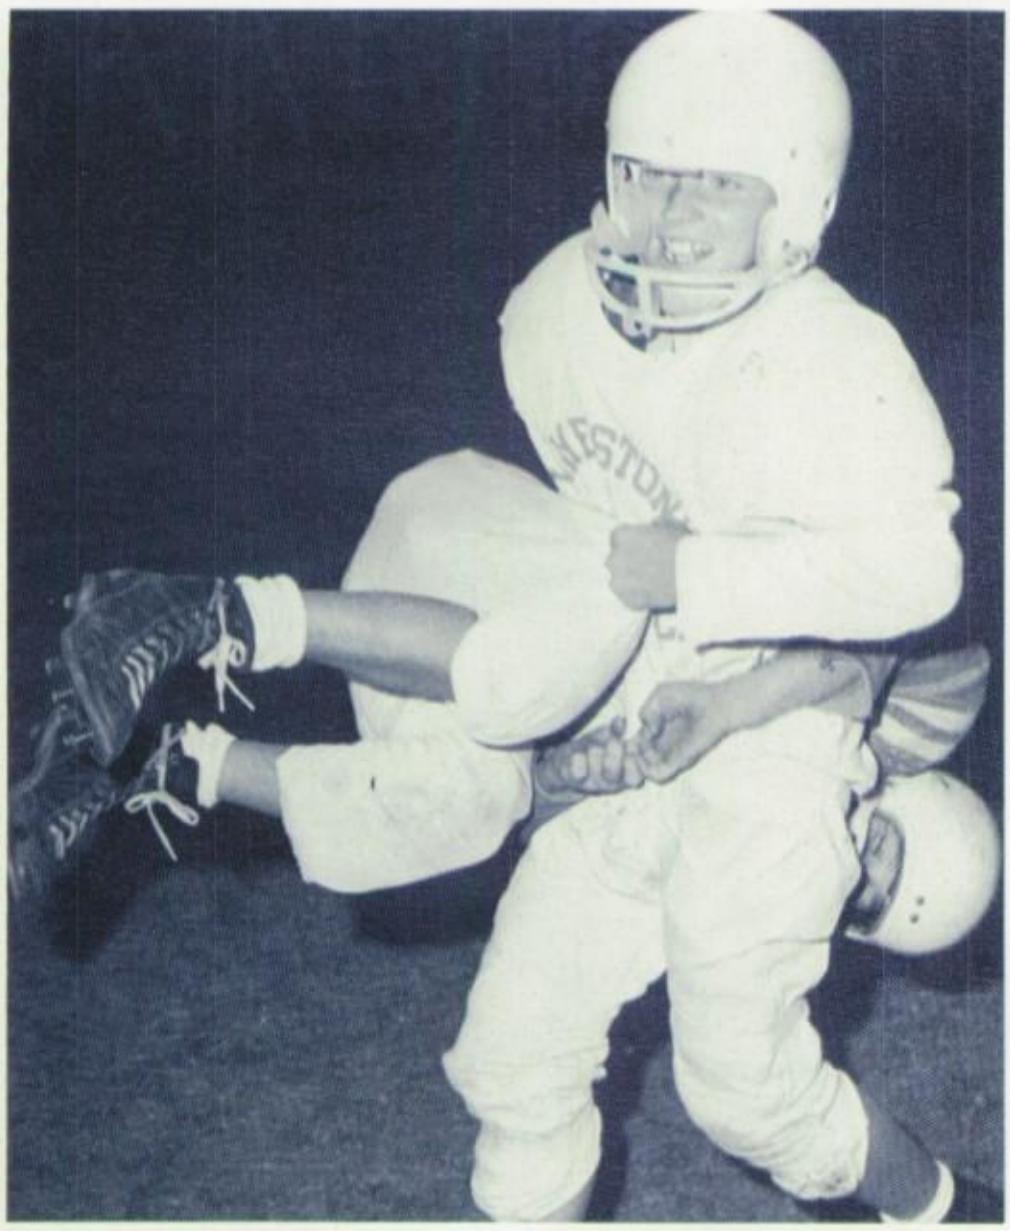
Laughter . . . But What About the Future?

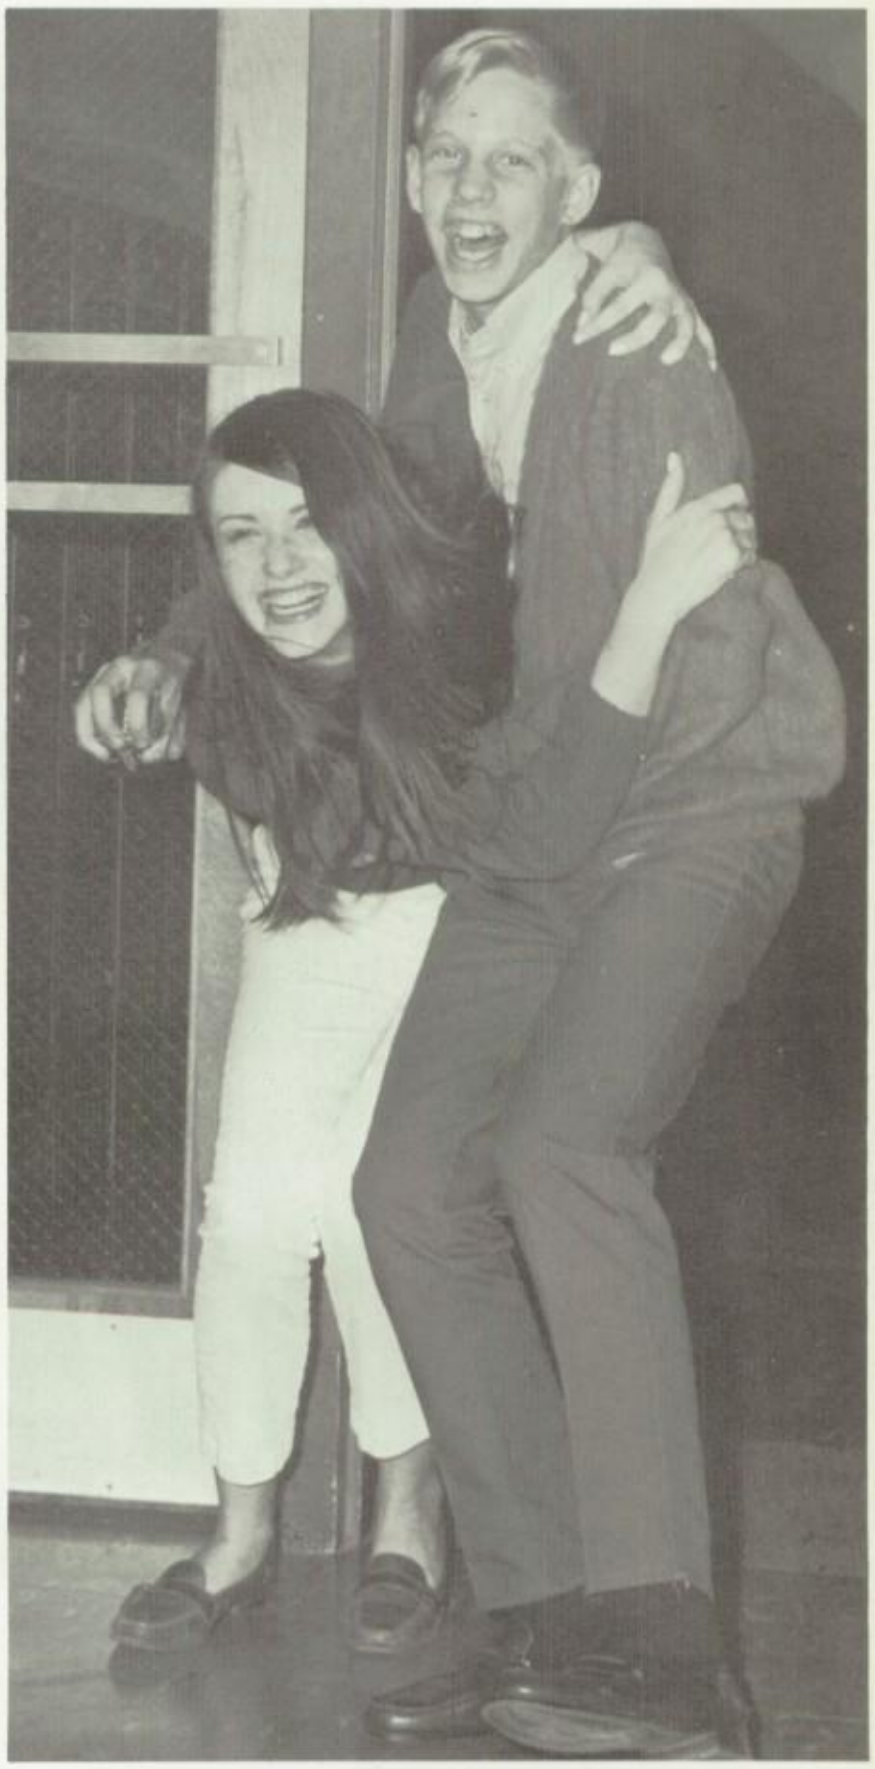
Laugh and the world laughs with you,
Weep and you weep alone;
For the sad old earth must borrow its mirth,
But has trouble enough of its own.

Wilcox

"When all else is lost, the future still remains."

Bovee

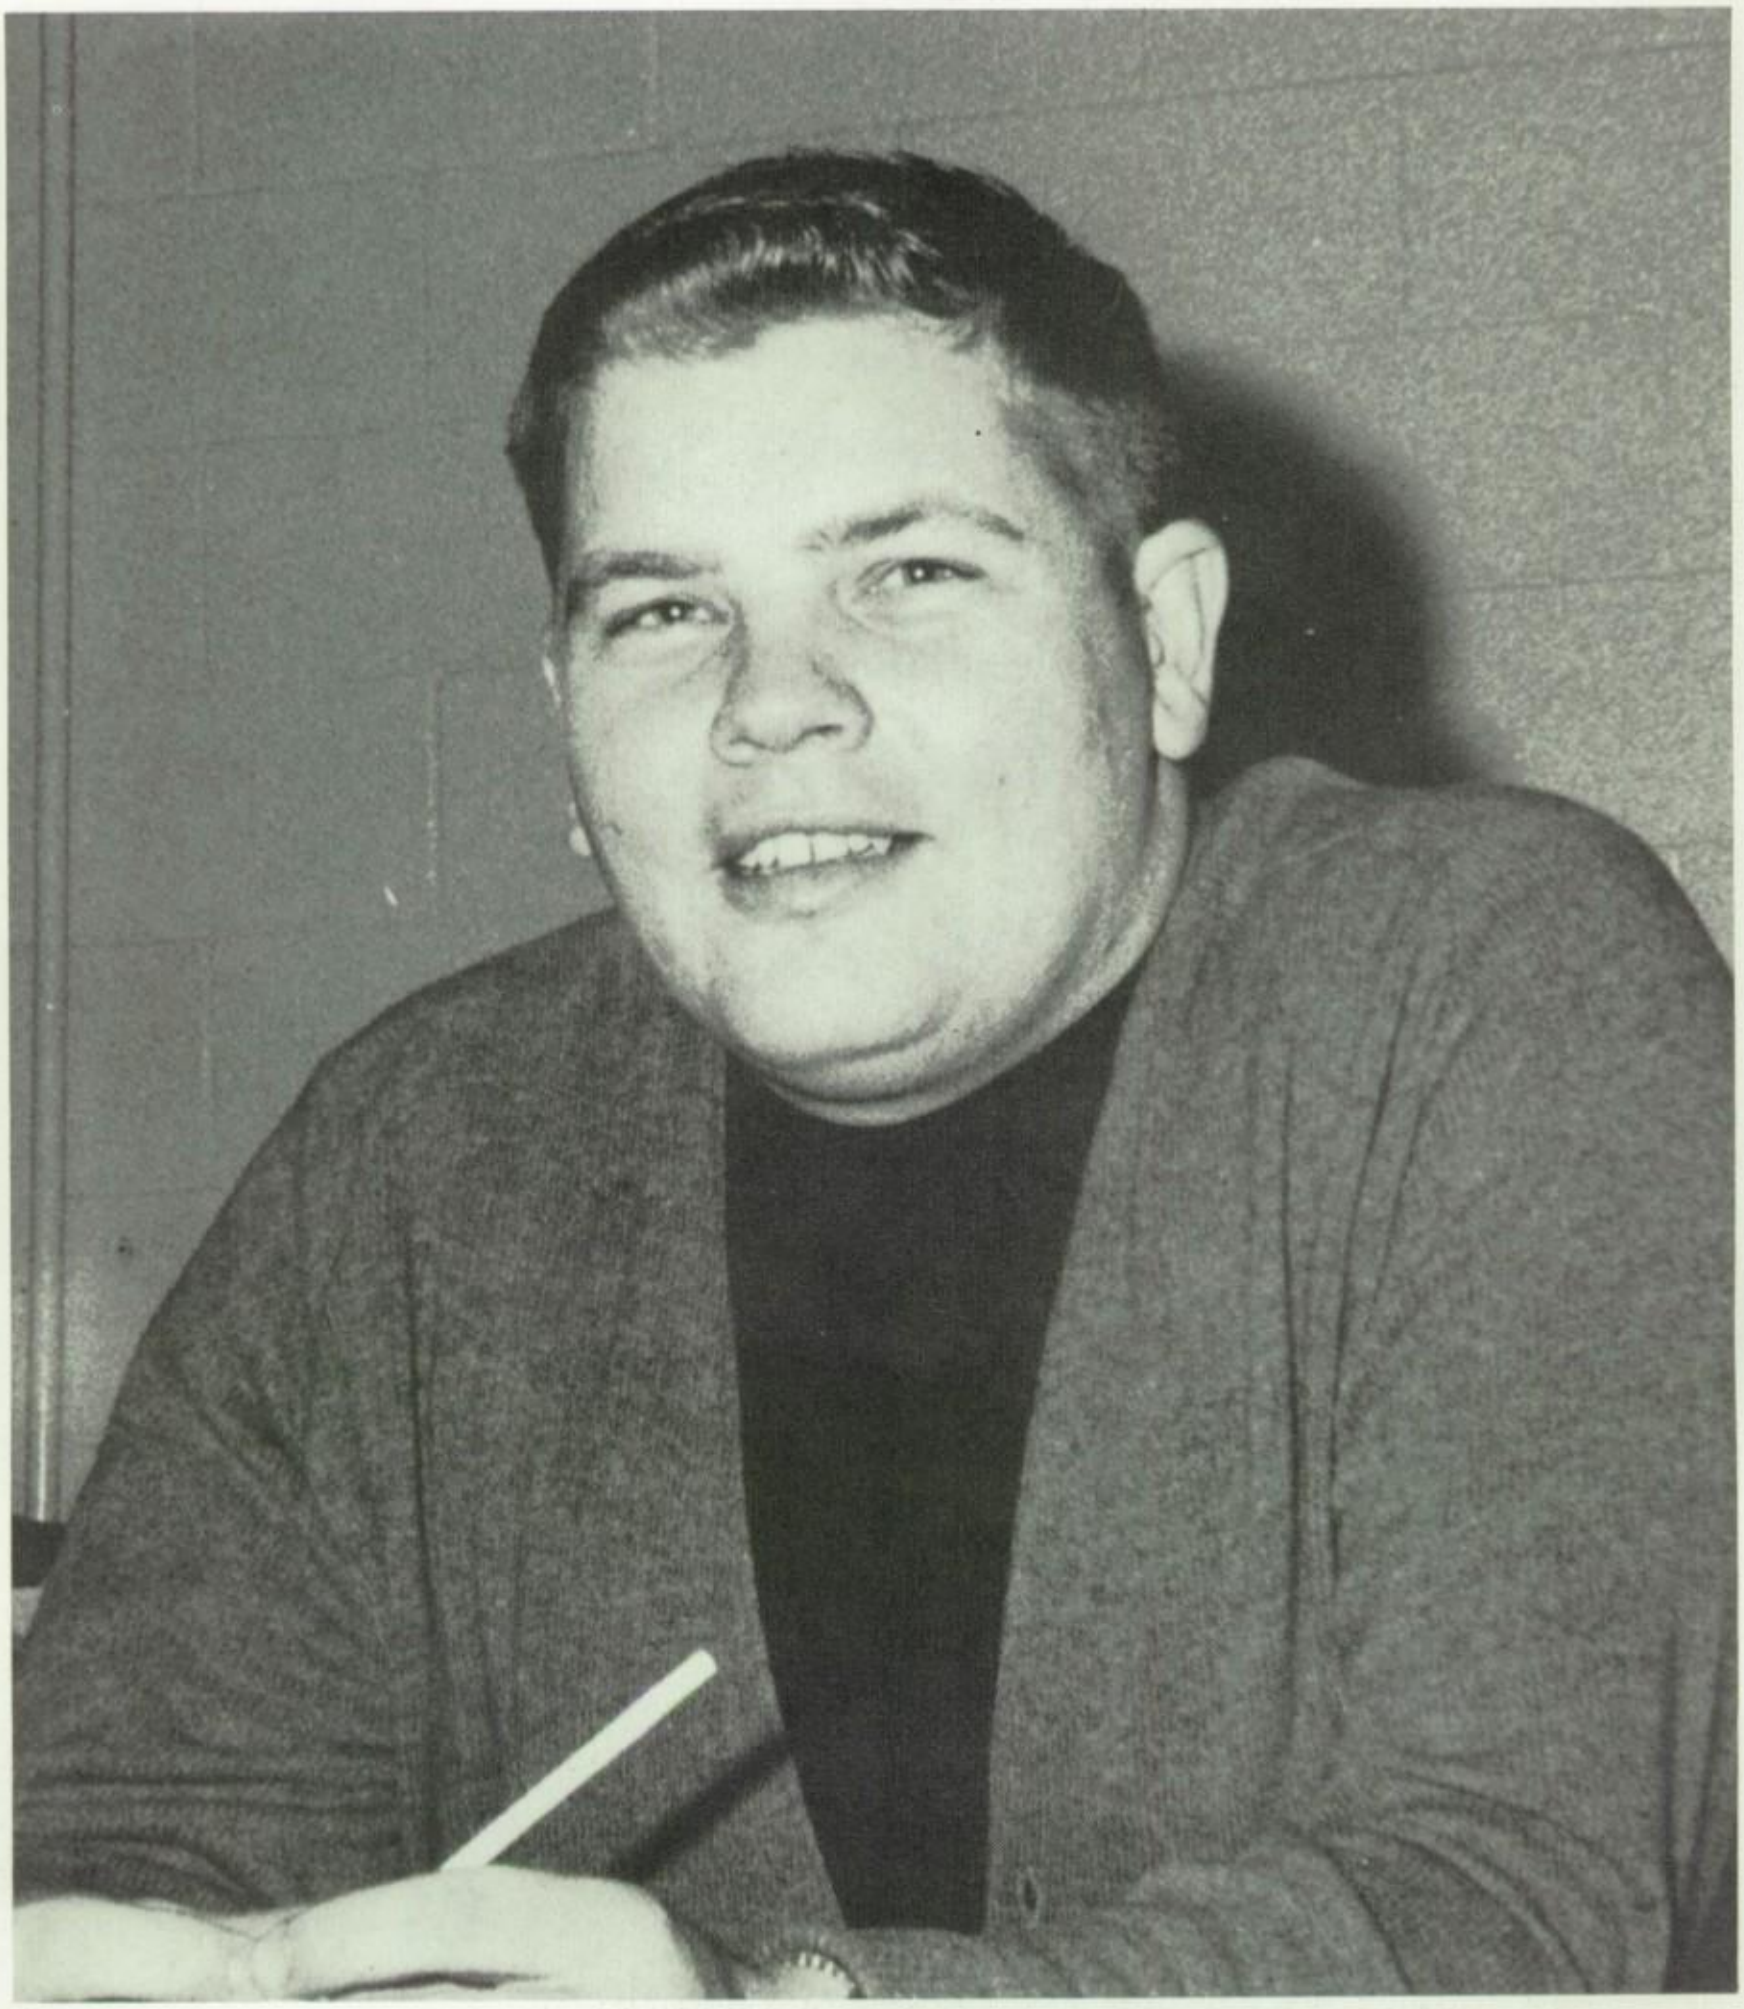




"Man alone suffers so excruciatingly in the world that he was compelled to invent laughter."

Nietzsche

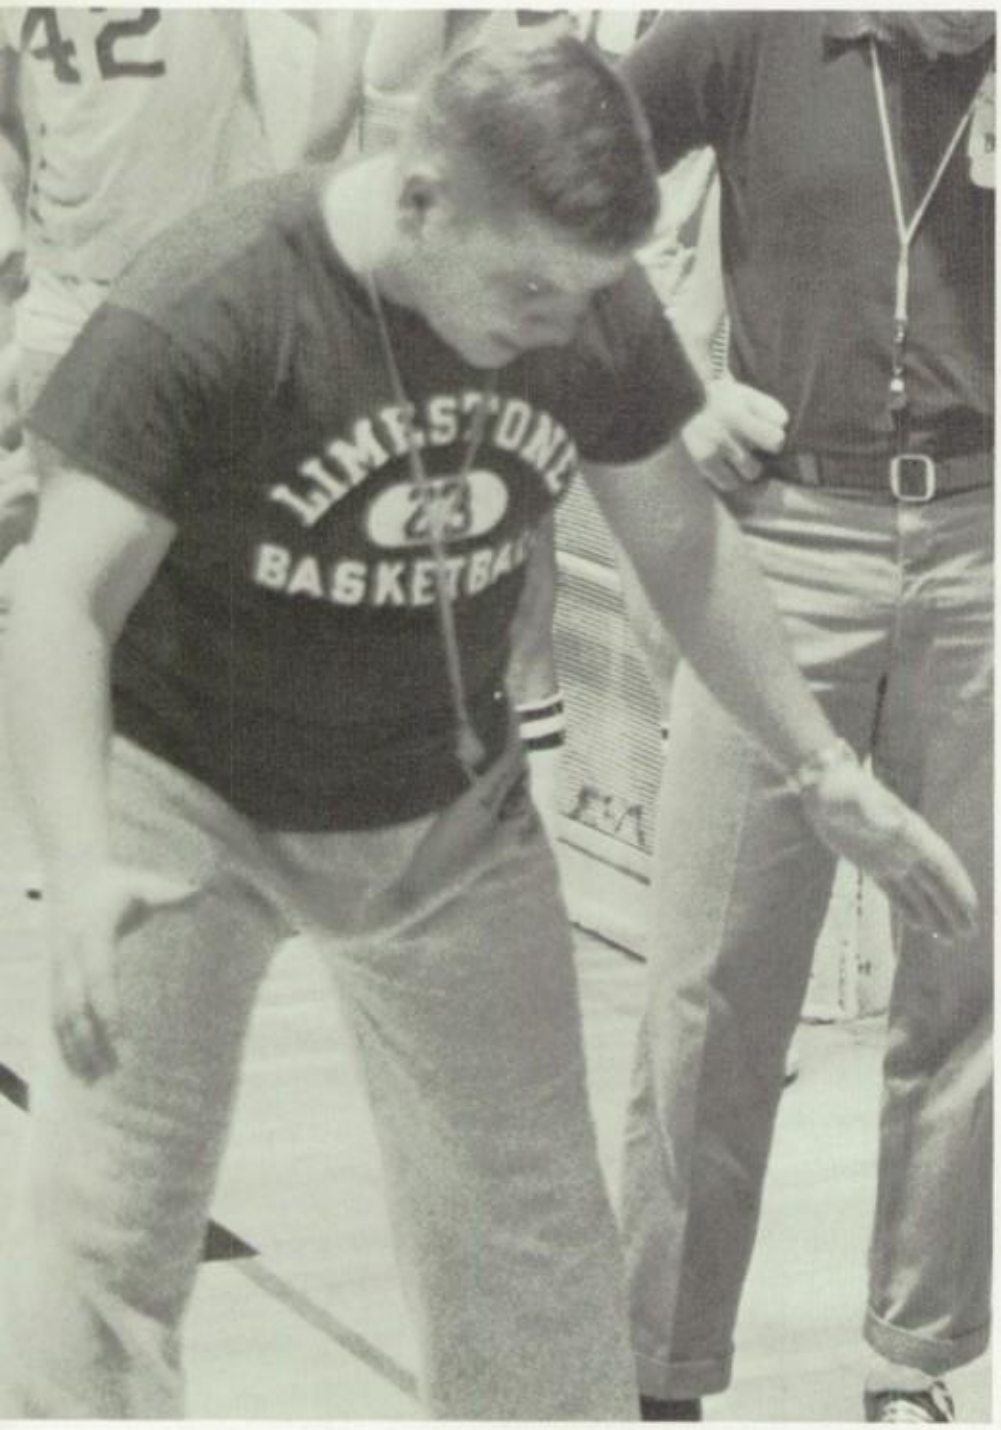
Dedication



Whether in the classroom or in the hall or during an extra-curricular activity, the life of every student at Limestone has been touched by the humor, advice, or conversation of an all-around "great guy" who fits well into almost any role or situation. Truly a "Mr. Enthusiasm" who is equally at home in the classroom or on stage as an emcee.

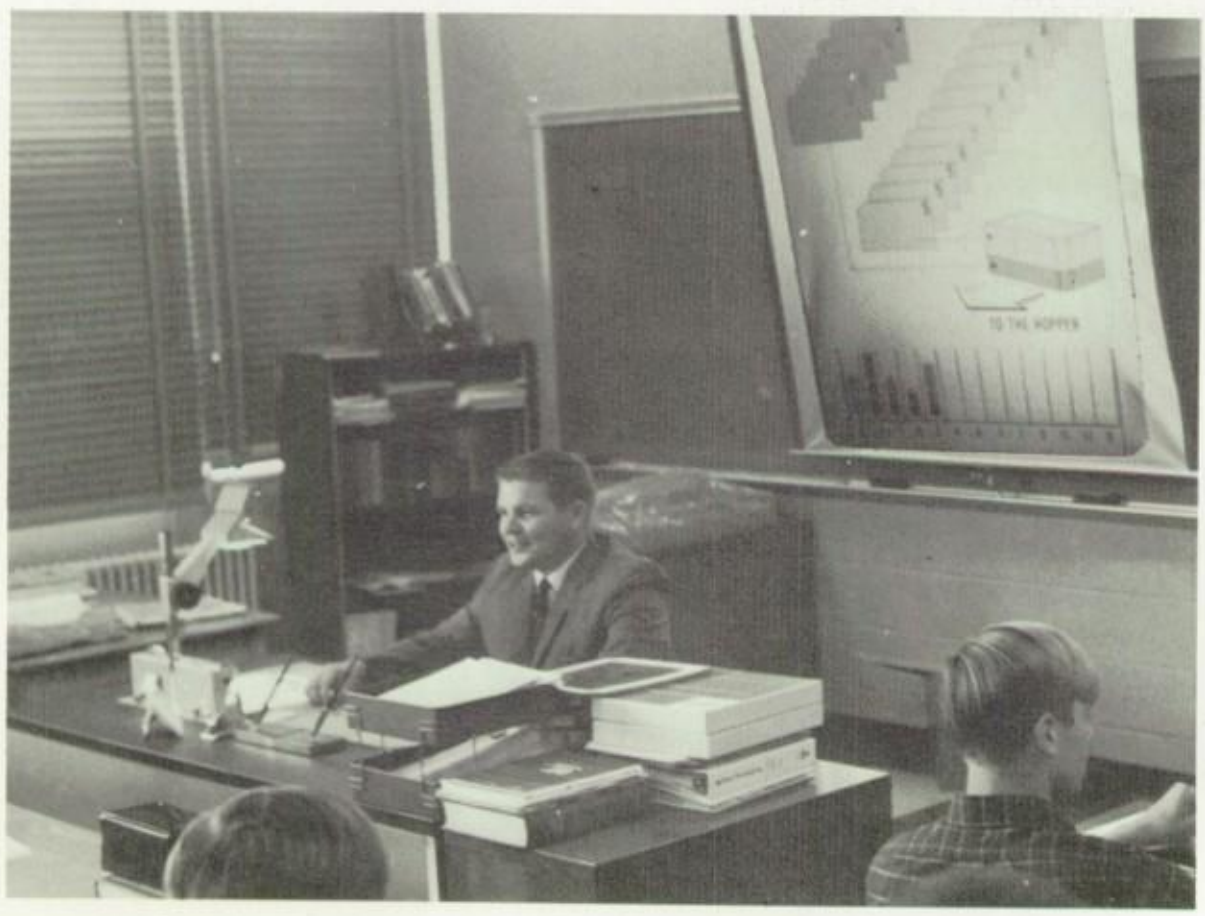
The AMULET staff is proud and pleased to dedicate this 1969 AMULET to a person who has given most of his waking hours for the last 10 years to the student body and to our school.

Mr. David B. Johnson

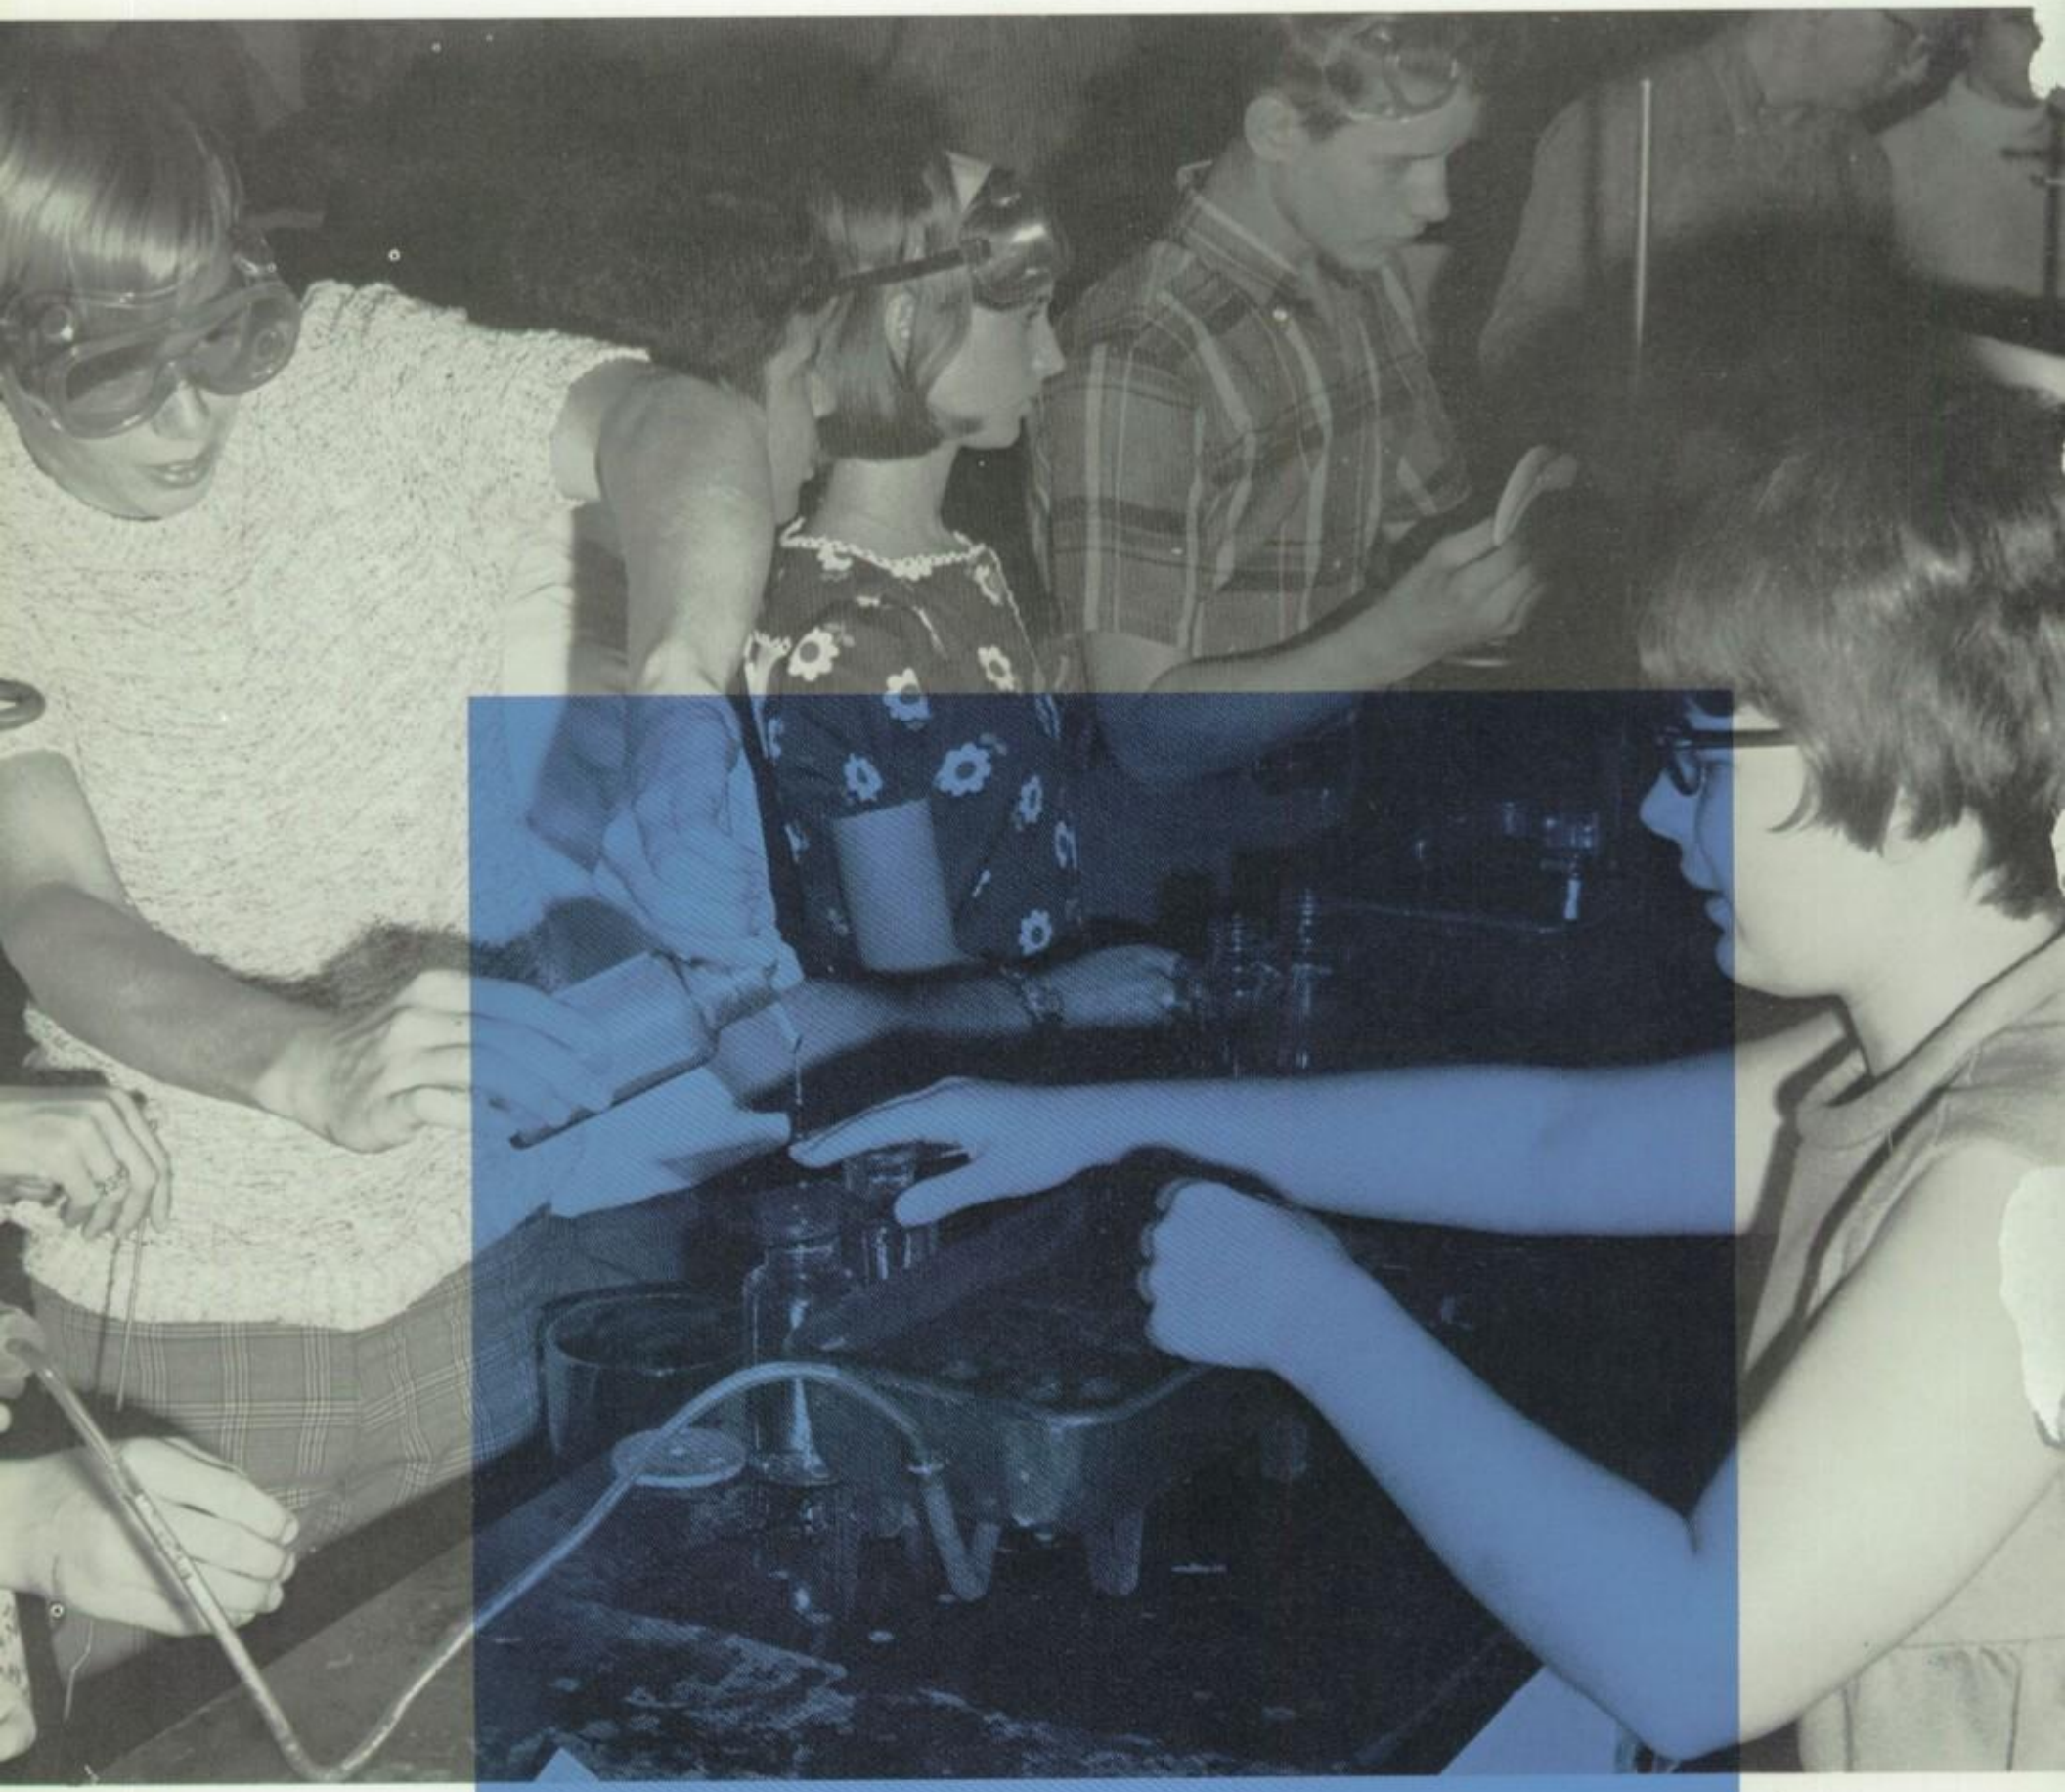


Mr. Johnson gives a demonstration to illustrate a point during basketball practice.

Giving credit where credit is due, Mr. Johnson awards letters and gives his team a pat on the back.

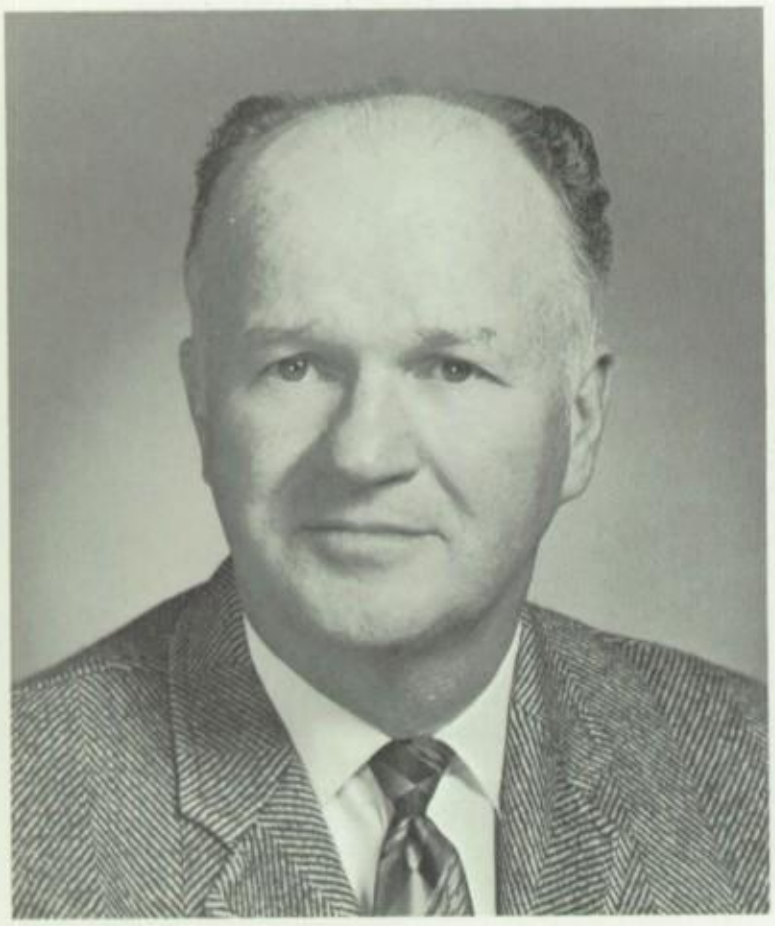


A pleasant classroom situation and learning is easy. So it is in Mr. Johnson's classes.



Academics

Administrative Staff



Mr. Frank Leach, Superintendent

Mr. Norman Endsley, Assistant Superintendent

Mr. Frank Bailey, Academic Affairs

Mr. Frank Leach, Limestone superintendent, is assisted in his duties by Mr. Norman Endsley, assistant superintendent and business manager. To further compliment the administrative staff, Mr. Frank Bailey, former dean of boys, returns to us from a one year sabbatical to take over as curriculum coordinator and administrative assistant.

School Board Serves Community

Mr. Jerry Rapp, President

Mr. Fred Velpel, Secretary

Mr. Kenneth Best

Mr. Dean Briggs

Mr. Winston Farrow

Mr. Charles Loeffel

Mr. Donald Thornton

The president of the school board this year is Mr. Jerry Rapp, who has served at Limestone since 1964. He is assisted by Secretary Fred Velpel. The school board represents the community in setting school policy and being responsible for the needs of the students, faculty, and administration.

Board members and Administrators tour the Science Department, taking note of the fine facilities at Limestone.

The dean of girls and the dean of boys represent an important part of our school. They solve problems, both large and small, of scheduling, discipline and just daily activities.

The voice of Mr. Hopp is heard every morning on the P.A. system.

Mrs. Clara McCraith

Mr. Conrad A. Hopp

Deans and Counselors

Mrs. McCraith cheerily handles difficult problems in the course of her day.

As dean of boys Mr. Hopp must make many wearisome decisions every day.

The Guidance Department has the difficult job of taking each individual into account in planning educational programs. Guidance includes all efforts that are made to help each student make maximum use of his potential so that he can live fully and effectively. It is a process through which he becomes aware of his capabilities and limitations so that he can make wise immediate choices and intelligent future plans for a life that will be socially desirable as well as personally satisfying.

Guide Students

Mr. Ingram is always donating his time for worthwhile school projects like the Science Fai

Miss Mildred Arnold

Mr. Kenneth Oswald

Mrs. Phylis Doxstader

Mr. Richard Ingram

English Teaches Communication

Mrs. Bertha Crumrine

Mrs. Martha Heien

Mr. James Kovalik

Mrs. Sue Kokos

Mrs. Lois Mason

Mr. William Morse

Mrs. Diane Randle

Mr. Kenneth Search

The English Department has the responsibility of perpetuating the language—teaching grammar, spelling, and punctuation so English speaking people can communicate the world over. In literature students interpret the past, communicate with the present, and envision the future. Literary discussion provides an opportunity to experience life without its problems. There is ever increasing knowledge to be gained about the human situation from reading, writing, speaking, and listening—knowledge of self, others, and the universe.

Teaching English involves individual work with students.

Without competent library help like Mrs. Arrenholz and Peggy Best, our school libra could not function.

Varsity Debaters Win Mid-State 9

Miss Elaime Sommerfield

Mrs. Mary Walker

Mrs. Lynn Heisel

Mrs. Patricia Wagner

Mrs. Eileen Rogers

Miss Kay Lingren

Much of our lives we spend trying to make ourselves understood. The Speech Department offers a study of the foundations of oral communication. In the various courses emphasis is placed on individual speaking and the different kinds of speaking experiences.

Debate offers students the opportunity to research a topic and argue before a panel of judges. Students have to think well on their feet and argue logically. The debate squad this year took home the Mid-State 9 trophy.

Language Study Broadens Horizons

Mr. Jack Clinton

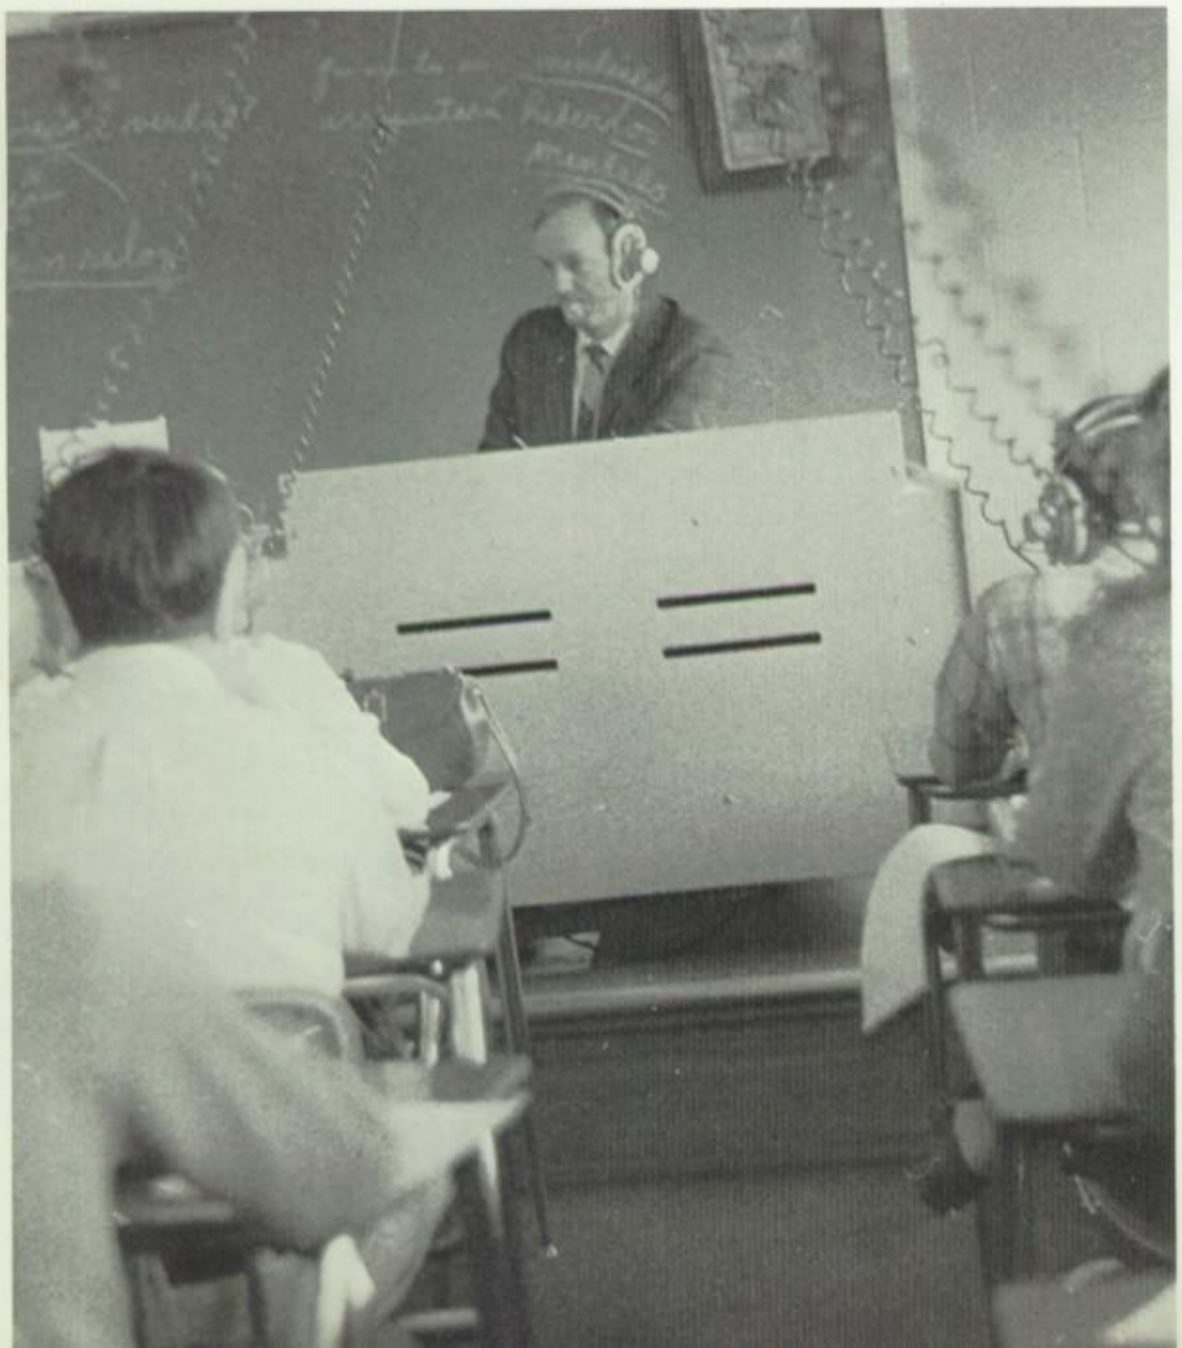
Mr. William Thomas

Mr. Edward Monroe

Mrs. Barbara Grafton

The study of a foreign language broadens a student's understanding of other cultures, produces better understanding of English, and provides a background for foreign travel or business operations. In addition, first preference for college admission is given to students with a strong foreign language background.

Mrs. Grafton advises the French Club in addition to her regular duties.



The language lab offers students the opportunity to speak a foreign language well.

Fine Arts Give Life Depth

Miss Suzanne Prosser

Miss Judy Schrader

Mr. Charles Cunningham

Mrs. Irma Gorman

Mr. Richard Skyles

Everything that is made and used in life involves art. Art teaches appreciation of beauty and provides an outlet for creative ability. It establishes activities for the fruitful enjoyment of leisure time.

In just in its second year at Limestone, the Art Department now offers two art courses and one course in handicrafts.

Journalism deals with methods of transmitting news of the day to the public. Radio, television, and newspapers are discussed with the chief emphasis placed on newswriting as it appears in the daily newspaper. Each student becomes a reporter for the Limelight.

The music program develops musical competence and understanding while teaching the entire range of music literature. Both instrumental and vocal music students learn and enjoy music, a basic element in our culture.

Sophomore Girls' Choir sings Christmas Carol in the hall.

Math Contributes to Science

Mr. James Adams

Mr. Donald Bangert

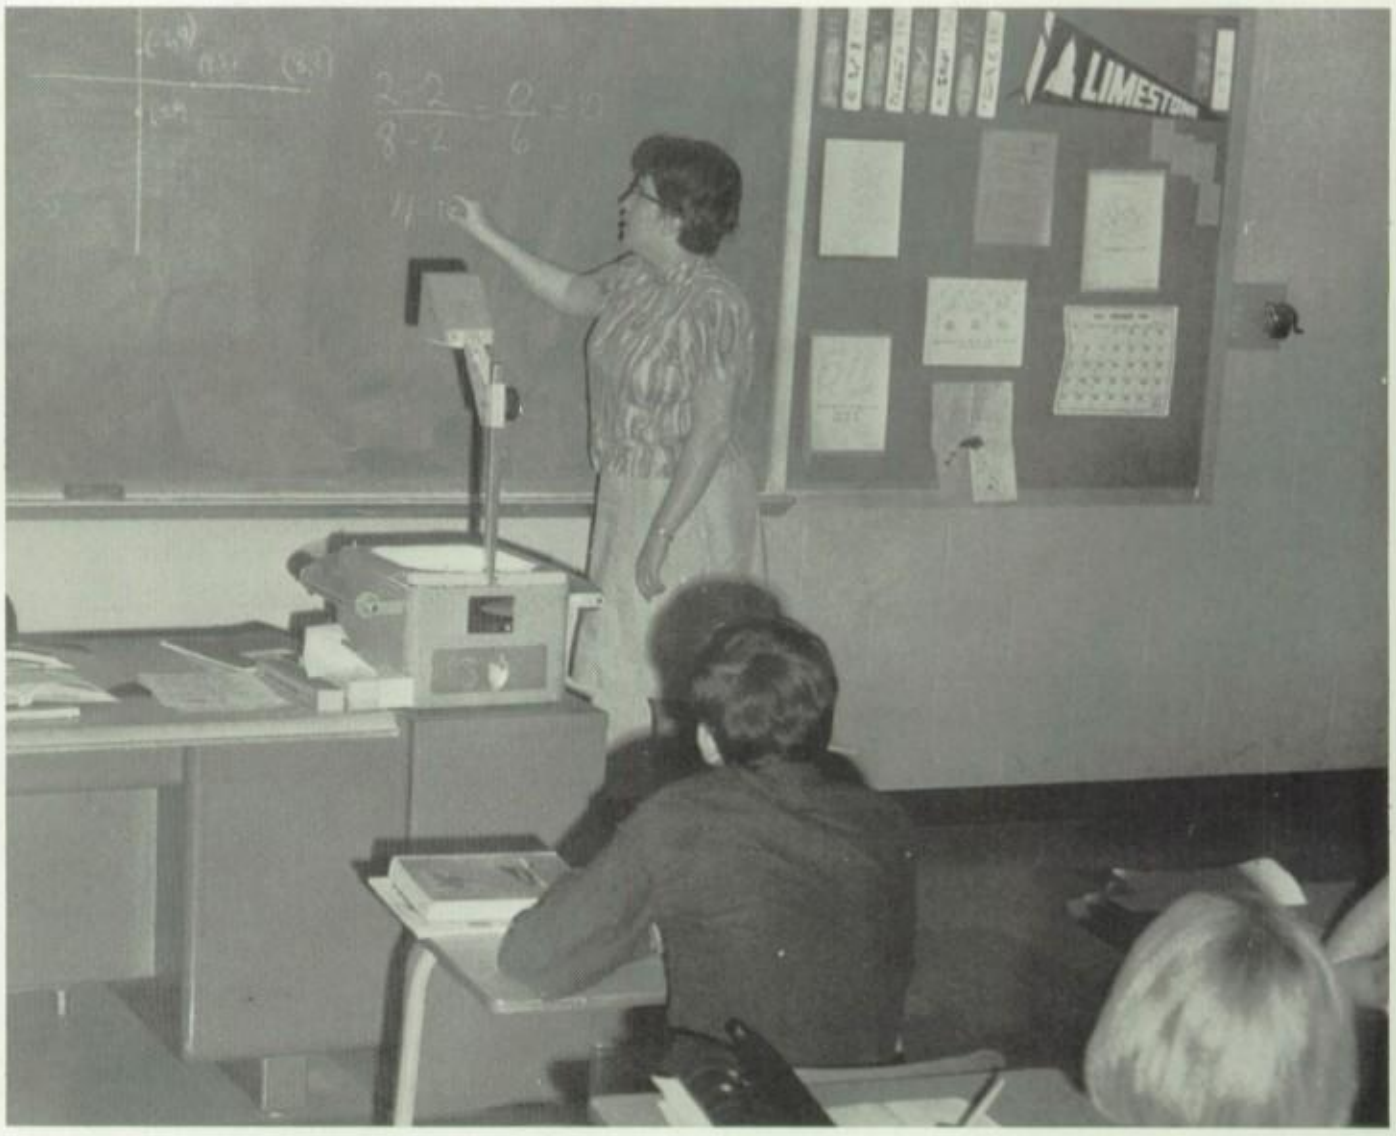
Mrs. Dorothy Brenton

Mr. Thomas Campbell

Mr. Gerald Perschnick

Mr. Richard Barnett

Mr. Joseph Thierer



In addition to teaching math, Mrs. Brenton is also pep club advisor.

Few people realize that the great accomplishments in science and engineering can be attributed to the best organized of all subjects—mathematics. Mathematics permits one to deal with a chaotic universe and make it seem orderly.

Offering General Math through Calculous, the department teaches household arithmetic through math needed for study and appreciation of advanced science and advanced mathematics.

Mr. Barnett has the responsibility of teaching some of the advanced math classes.

Social Studies Department

Mrs. Lorene Benbow

Mr. James Brockman

Mr. Karl Gottlieb

Mr. David Langen

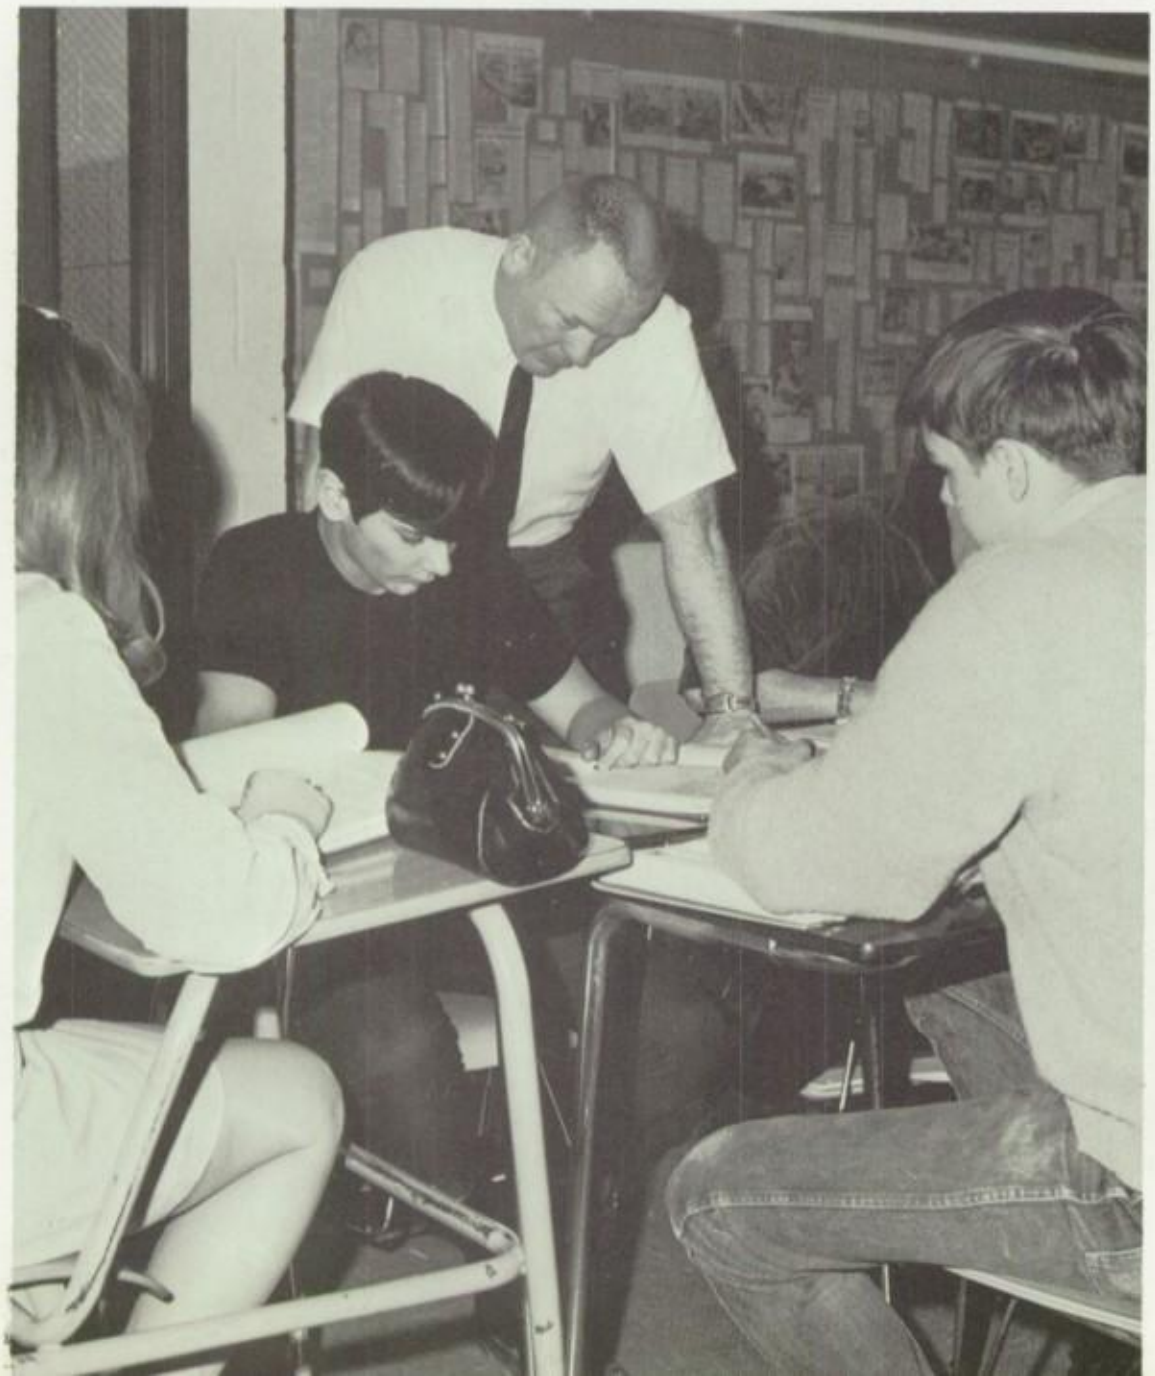
Mr. James Marry

Mr. Stephen Nordvall

Miss Helen Schmidt

At the end of a Limestone student's high school days, students should have a clear knowledge of the great leaders and events of the past and present. Events of the past are taught so that something may be learned for the future. The student is prepared to take his part in the industrial, social, and political life of America—the greatest social and political experiment in man's history. To promote understanding students are kept aware of national trends through current events study as well as free discussion of daily happenings. Studies of other nations and peoples aim to promote world understanding and world peace.

Group preparation of projects is an important and interesting part of social studies classes.



Mr. Brockman is active in many school activities.

Mrs. Ann Clinton

Mrs. Marieva Maxwell

Home Economics trains girls for homemaking, home management, consumer buying, and future parenthood. Girls get a chance to demonstrate what they have learned at the annual Christmas Tea where faculty, students, and parents are entertained with conversation and culinary handiwork.

Students may take up to four years in courses like Experimental Cookery, Consumer Buying, and Tailoring. The department includes areas of study that arouse interests, appreciations, attitudes, and skills leading to vocations and hobbies for more complete living.

Mrs. Linda Ragain

Home Economics

Mrs. Beck puts on a cake decorating demonstration for the girls.

Delores Franklin has at it with the steam iron.

Mrs. Helen Endsley

Mr. Steve Gresham

Mr. David Johnson

Mr. Douglas Nafziger

The Business Department offers students the opportunity to learn skills useful in finding good jobs such as bookkeepers, typists, secretaries, office machine operators, etc.

Courses are designed and taught to challenge the ability of interested students. Students may follow any one of four areas of interest: business education, bookkeeping-management, secretarial, and clerical.

Science Department

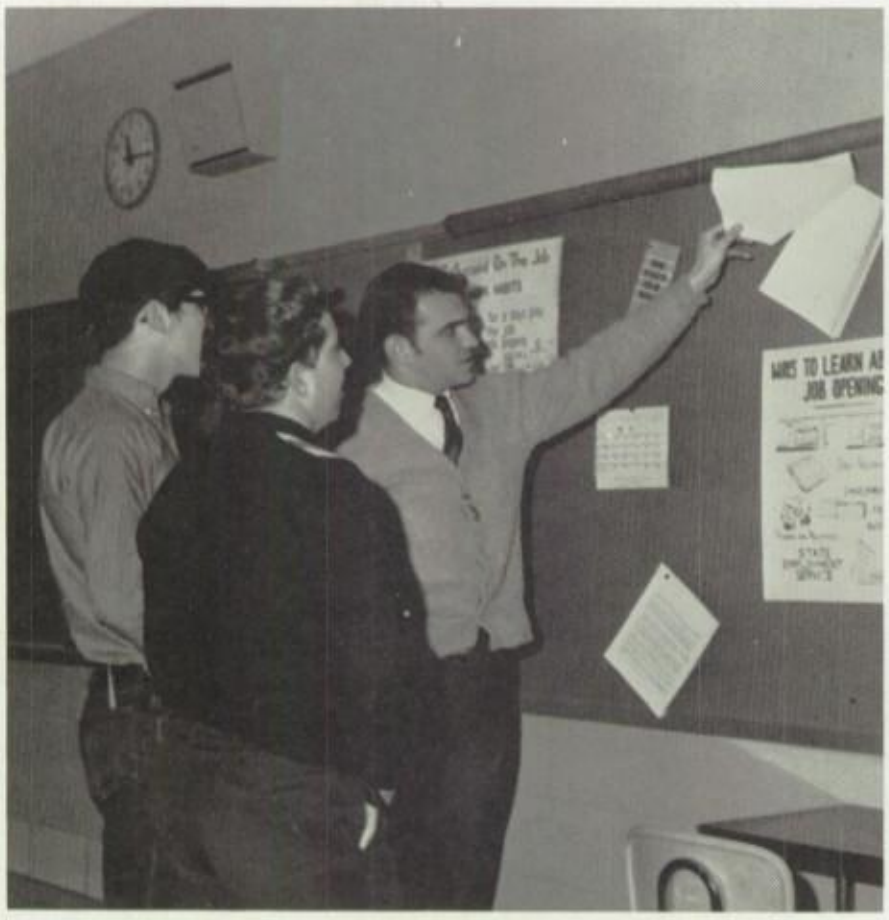
In the last ten years scientific and technical knowledge has doubled affecting our lives greatly now and in the future. The Science Department must keep pace with this expansion in giving students enough background to understand their environment, meaning the balance of nature, the importance of conservation, the physical and mechanical things which make industry possible, and an understanding of themselves for better health and happier lives.

Connie Plotner carefully prepares a culture for biology.

Mike Schaer is using the impscope to measure nerve impulses in this guinea pig.

Mr. Zarvell's Conservation course is the only one of its kind in Illinois.

Special Education



Mr. Fulk goes over bulletin board material with his students.

Mr. Dennis Fulk

Mr. Mike Kline

The Special Education Department gives students an opportunity to learn things that can be used in everyday life such as how to use bank accounts. In addition occupational studies show students what jobs are available for them and what training is needed.

Mr. Richard Baylor

Mr. Larry Bierwirth

Mr. Joseph McCraith

Mr. Kent Negley

Industrial Arts Department

Industrial Arts is the area around which our industrial country revolves. Through good education and training, employment rates remain steady, our industrial capability is respected throughout the world, and our country remains the technological leader. In addition, the ability to do things with one's hands results in satisfying hobbies, home repairs, and self-made items that have economic value.

Debbie Kirkham learns to do the handspring in PE.

Three years of physical education are required for graduation to prepare students to assume their place in a society prepared to participate in physical and recreational activities that will be very beneficial and meaningful.

Physical activity provides a mental change of pace for students relieving many of the tensions that can accumulate over a period of time. Students learn proper social behavior, leadership, team work, reliability, and resourcefulness.

The PE department also has the responsibility of teaching driver education to all sophomores. This is generally met with a great deal of enthusiasm.

Staff Invaluable to School

The knowledgeable office staff keeps school operations running smoothly. These people have the answers to the many problems. They maintain records, run the book store, collect fees, etc.

Injuries and medical problems are the province of Mrs. Barkley, school nurse. In addition, she gives educational instruction in first-aid, child care, and personal hygiene.

Miss Rosenbohm, Mr. Leach's secretary, has been at Limestone since its opening 16 years ago.

Mrs. Emma Pirtle

Mrs. Sue Bosecker

Mrs. Betty Jarvis

Mrs. Katherine Barkley, R.N.

Mrs. Bosecker, a Limestone graduate, handles the money from school sales as business office assistant.

Mr. Leach wishes Ruth Clark the best of luck after her retirement from her many years of service to Limestone.

Rounding out the staff are the custodians and cafeteria workers. These indispensable people are always eager to help students and faculty by maintaining a wholesome environment conducive to good learning.

Custodian Joe Griffith, always a willing helper.

Mrs. Paschon, a new member of the cafetorium workers, willingly helps out in the Snack Bar.

Cafetorium Workers, 1st. Row: B. Bolin, I. McMullen, E. Mahrt, E. Genseal, F. Bailey, 2nd. Row: L. Schwindenhammer, E. Giles, H. Hodge, M. Greenslate, E. Reader, and J. Fletcher.

The AMULET wishes to congratulate these students who have been ranked the top ten of their graduating class. Their hard work and many hours of diligent study have now been rewarded, and we are proud of them. Also to be congratulated are the Sterling Merit Award winners who were acknowledged at a spring banquet at Exposition Gardens. These students, the top eight per cent of the senior class, were announced by the Junior League of Peoria and the Peoria Journal Star.

Guides Class of '69

Ascending the last stairway to the future at high school, the senior class of '69 has accomplished many goals and has achieved many awards.

Homecoming has always been a busy time of the year for this energetic class. As both sophomores and juniors, the class tied for first place in float competition, but this year they alone took first place with their colorful float entitled "Warriors Are In Dutch". In skit competition, industrious efforts once again paid off as the seniors' presentation of "The Secret Collector" won them another well-deserved first. Senior Lynn Maloney was a lovely addition to the court of the 1968 Homecoming Queen, Cathy Jarvis.

A most eager and enthusiastic group, the class of '69 has won the Spirit Stick during sophomore, junior, and senior years, proving that their school spirit runs high. They also contributed the most money to the 'Hear' program for Bartonville school.

The wise leadership and guidance necessary in organizing these projects and other activities was provided by class officers: Robert Choate, president; Pam Simmering, vice-president; Veronica Willis secretary; and Carla Ketcham, treasurer. Assisting them were class faculty advisors: Mr. Ed Monroe, Mrs. Sue Kokos, Miss Judy Schrader, and Mr. Frank Bailey.

Mr. Don Hein

As in years past, it is the pleasure of the AMULET staff to present the Miss Photogenic Contest.

The contest to select the most photogenic entrant is based strictly on the appearance of the portrait and does not consider personality or popularity. Only senior girls are eligible.

To insure participation and interest all of the senior girls photographed for the 1969 AMULET were entered automatically.

Mr. Don Hein, local radio and TV personality was the judge for this year. A graduate of the University of Northern Iowa, Mr. Hein is the sports director for station WMBD. He can be seen on the 6:20 and 10:20 sports, and can be heard at various times of the day on his radio show "Talk About Sports".

Officers Lead Class to Senior Year

The junior class ascended the many educational stairways to the future. Guided by officers, Steve Maxwell, President; Bob Norman, Vice President; Cindy O'Donnell, Secretary; Dan Wrenn, Treasurer; and advisors, Mr. Campbell, Mr. Zarvell, Mrs. Heien, Mr. Thierer, and Mrs. McCraith, the class prepared for their future years of higher education or for their future years in the business world. Through a series of preparatory tests, the juniors made ready for college entrance exams to be taken in their senior year.

Kathy Stevenson, the junior attendant, was a lovely addition to the '68 Homecoming Court. Their Homecoming skit, "Rocket to 'em Baby" and their float, "Hawaiian Punch", were the results of this hard working class.

Anxiously the juniors awaited their class rings that finally arrived in January.

Sophomores Actively Participate

On the second step of their high school educations, the members of the Sophomore Class of 1971 were enthusiastically advised by Miss Prosser and misters Nordvall, Langen, Kovalik, and Ingram. Under the leadership of president Steve Holm, Vice-President Debbie Kirkham, Secretary Linda Roof, and Treasurer Aaron Askew, the class gave spirited competition to other classes with their homecoming skit, "Magical Mystery Tour". "Mystify the Warriors" was the sophomore entry in the float contest.

The sophomore homecoming attendant was Gwen Maloney.

The sophomores also took mighty pride in having three of their classmates on the varsity football squad and meeting the challenge of driver education.

Freshmen Officers Lead Spirited Class

In order to begin their journey up the stairways of high school life correctly, the freshman class of '72 chose as their president Ron Fennell; vice president Gail Schindler; secretary Brenda Walraven; and treasurer Lynn Case. These officers along with the support of advisors, Brockman, Grafton, Heine, Brown, and Oswald plus the extra help from Mr. Brockman, the class met their first homecoming with interest and enthusiasm. Their float, "Blast 'em Around the World" and their skit, "Sail the Seven Seas for Victory" were fine examples of the capabilities of this class.

Jo Ann Clark, the homecoming attendant, was the perfect addition to the Queen's Court.

The main money making project of this conscientious class was the handling of coat check at the various sporting events during the year. The class in the spring also sold tooth brushes.

With the help of their officers and advisors the freshman class finished their first year of high school successfully.

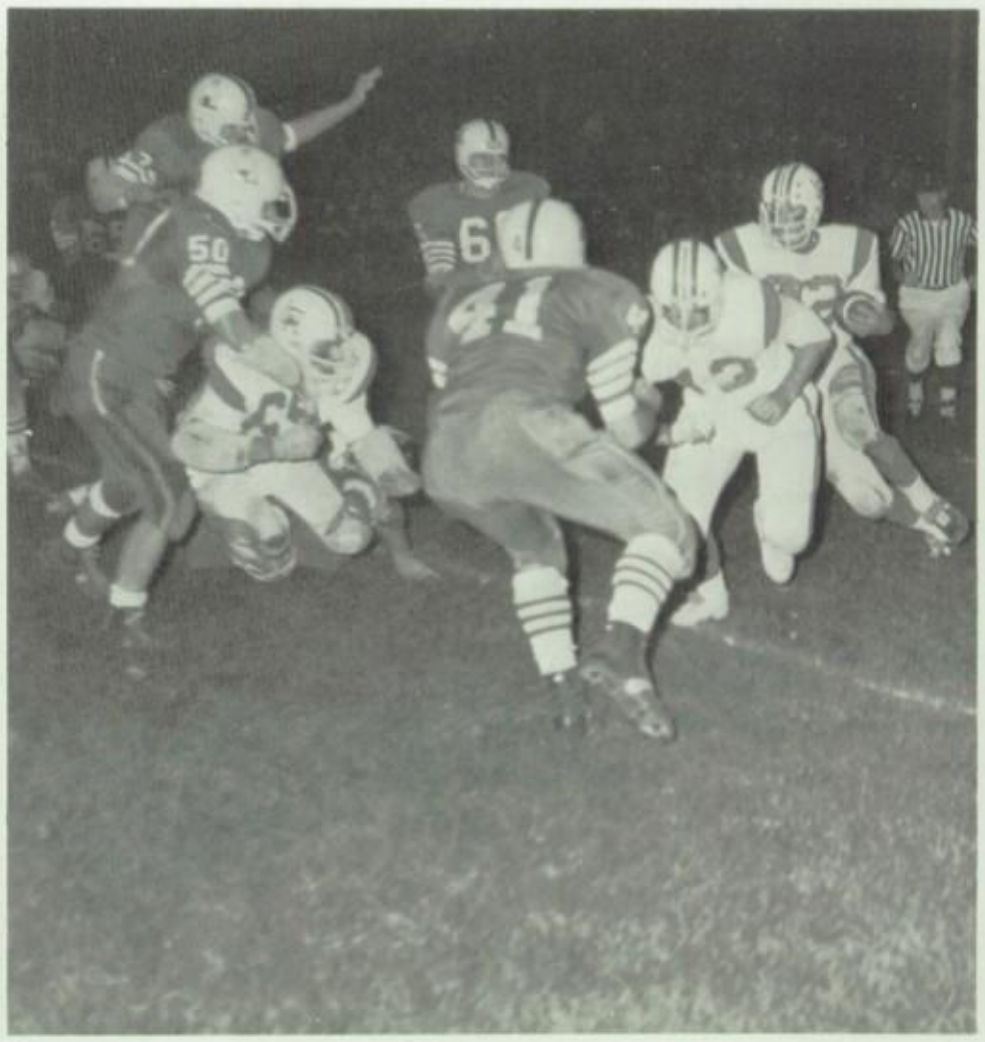
Rockets Blast to Second Place

Limestone's 1968 football season brought about many different changes on the gridiron for the Rockets. It was a year that saw only 36 boys out for the varsity squad. The number decreased as the year progressed, and it became necessary to promote some sophomore players to varsity level. In spite of all the hardships, the varsity football team placed seventh in the Mid-State 9 conference with a 3—5 record and second in the Illini conference.

An explosive offense was centered around the running of senior Brad Tyler and juniors Randy Light, Mike Slater, and Gary Gladson. Sophomores Bob Chandler, Bob Walker, and Rod Bledsoe did an outstanding job for their first year of varsity play. Coach Kasap will be relying on them heavily in the years to come.



Heads crack and helmets roll as a Limestone back gains yardage.

Coaches Riggenbach, Kasap, and Euteneuer discuss strategy for an upcoming game.

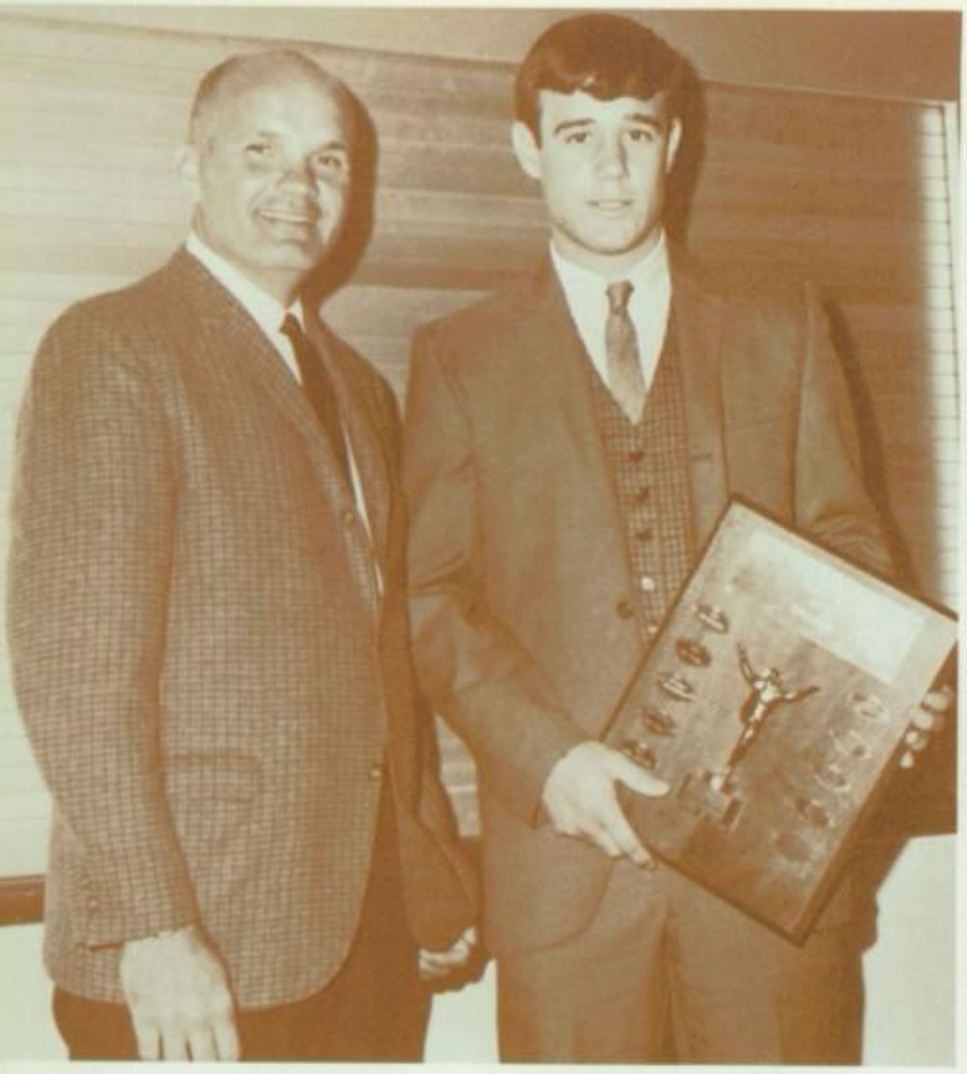
3 Win—5 Loss Record

As the season progressed and our running backs gained experience, they presented many problems for the defensive lines.

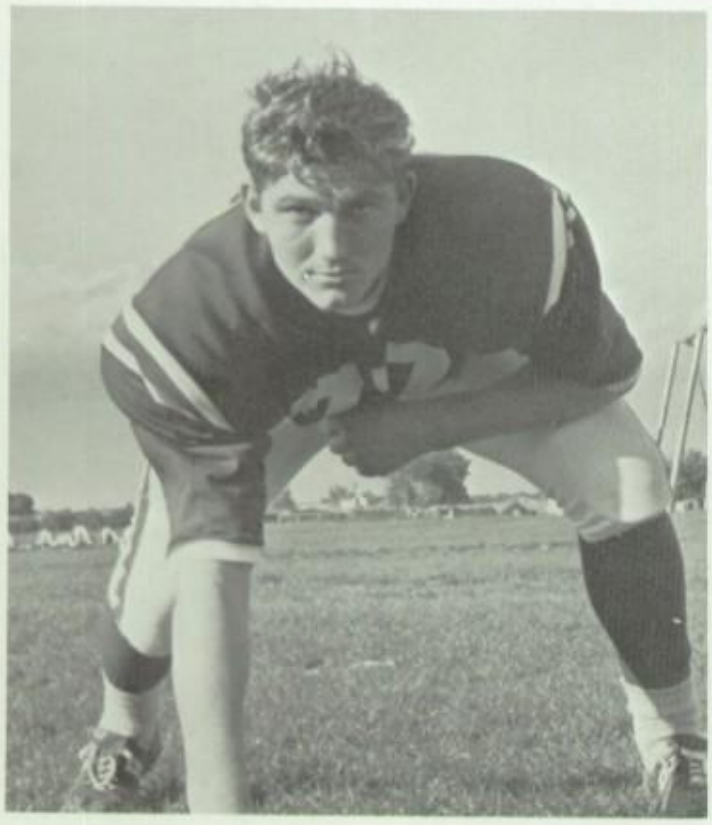
The team and the cheerleaders enjoy the "Breakfast of Champions," before the homecoming game.



Randy Light receives The Most Valuable Player Award of the Homecoming Game from Coach Kasap.

Debbie Goodapple entertains at half time one cold November night.

Coach Kasap Leads the Team to a Successful Season



Spirited and bighearted Lee Bragg contributed heavily to the team this season.

The varsity line up for the afternoon game against East Peoria.

Most valuable player for the '68 season was senior Larry Paulen who performed like a professional on both offense and defense. Co-captains Larry Paulen and Brad Tyler made the Illini all conference team as did senior Lee Bragg, the biggest man in the MS-9 conference. Mike Slater, a junior, was also chosen as a starter on the all-Illini team.

Randy Light, all-star, led the team in total yardage and won the most valuable player award for the Rocket's 1968 Homecoming game against Woodruff. Pat Grisham, a senior, was voted the most improved player of the year. At the fall sports banquet Randy Light, Joe Slama, and Mike Slater were elected captains of the 1969 team. Co-captain Larry Paulen also made the first team MS-9 conference. In the background most of the year was junior Gary Rodden who proved a very valuable asset for the offense in tight situations.

Mr. Kasap gives the team a pep talk during half-time at the East Peoria game.

Paulen, Tyler Co-Captains 68-69 Season

Cross Country 3rd in Illini

This years cross country team compiled a 5—7 record due to the long hours of practice under new Head Coach Johnson.

Scott Miner proved to be a valuable member to the team this year.

Head Coach David Johnson

J.V. First in Mid-State Nine

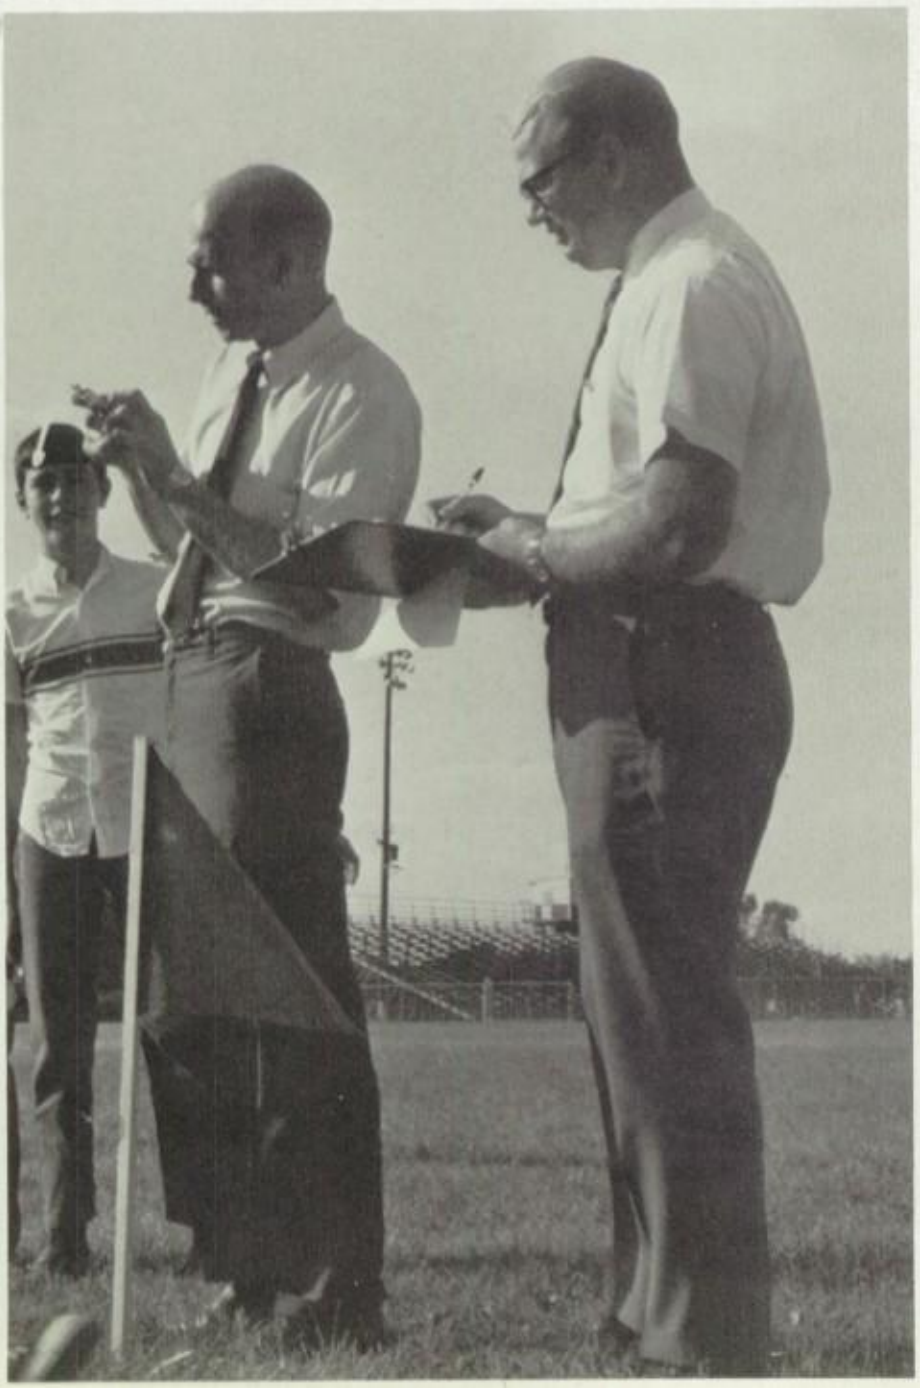
Gary Wendlin and Eric Jones proved vital to this years team effort.

The 1968-69 Cross Country team was a young team. This didn't mean that they were inexperienced. In the District the Varsity placed seventh, third in the Illini, and sixth in the Mid-State 9. The Junior Varsity placed third in the Illini and first in the Mid-State 9, a first in LCHS history.

The varsity team this year was formed around Gary Wendlin, Steve Reakenwalt, and Scott Miner, all seniors. Kim Schindler placing first and Eric Jones placing second in varsity point standings proved valuable also. Chuck Cemenska lettered this year as a freshman which is quite an accomplishment. Other lettering members were Don Callear, Ron Callear, and Scott Durham.

Cross Country is a sport where instead of running on a regular shaped track, the participants run up hills, down hills, around trees, over creeks, and over bridges. The course is 2.75 miles long. A regular team consists of seven runners, the first five of whom count in accumulating team points.

Mr. Negley and Mr. Brockman assisted Mr. Johnson with the team this year.



Kim Schindler did an outstanding job this year.

Rockets Finish '68-'69 Season 10—16

Steve Reaktenwalt

The 1968-69 season for the Limestone basketball team was one of rebuilding. The team had only three returning seniors.

The Rockets were 10—16 for the season.

Juniors making large contributions to the team's effort were Bob Norman, Ron Moore, Ron Quinn, and Steve Nelson. Bob Norman cleared the boards during the season and after. Norman was named "Most Valuable Player," a member of the 1st team in the Illini, and a member to the 1st team in the Mid-State 9.

The Rockets had two other members on the Mid-State 9 team. Steve Nelson and Steve Reaktenwalt were members of the second string.

Other members showing great promise were Ron Moore, Defensive Player of the Year; Jon Henderson, Co-captain and Best Free Thrower; and Ron Quinn.

Thus the Rockets ended the season fourth in the Illini, and seventh in the Mid-State 9.

Wrestlers Finish 10—4

A tough, hard working group of Limestone wrestlers shook off losses in their first three outings to beeome the winningest, Rocket, wrestling team in recent years. The team's 10 wins tied a mark set by the 1958-1959 team. That team lost 4 dual matches while this years team lost 5. Intense mental and physical effort payed off for the team, which showed continued improvement throughout the season.

Inexperience hampered the Rockets early, but the team jelled around a nucleus of six seniors. One freshman and one sophomore wrestled regularly while other underclassmen saw scattered action. By tournament time the grapplers had become one of the most highly respected teams in the area.

The highlight of the season came during the Illini Conference Tournament action. The Rockets finished second as a team with three individuals winning championships.

The future looks bright for wrestling at Limestone. Seven lettermen will be joined by a fine sophomore group. Continued effort and dedication will aid the matmen in maintaining their winning ways.

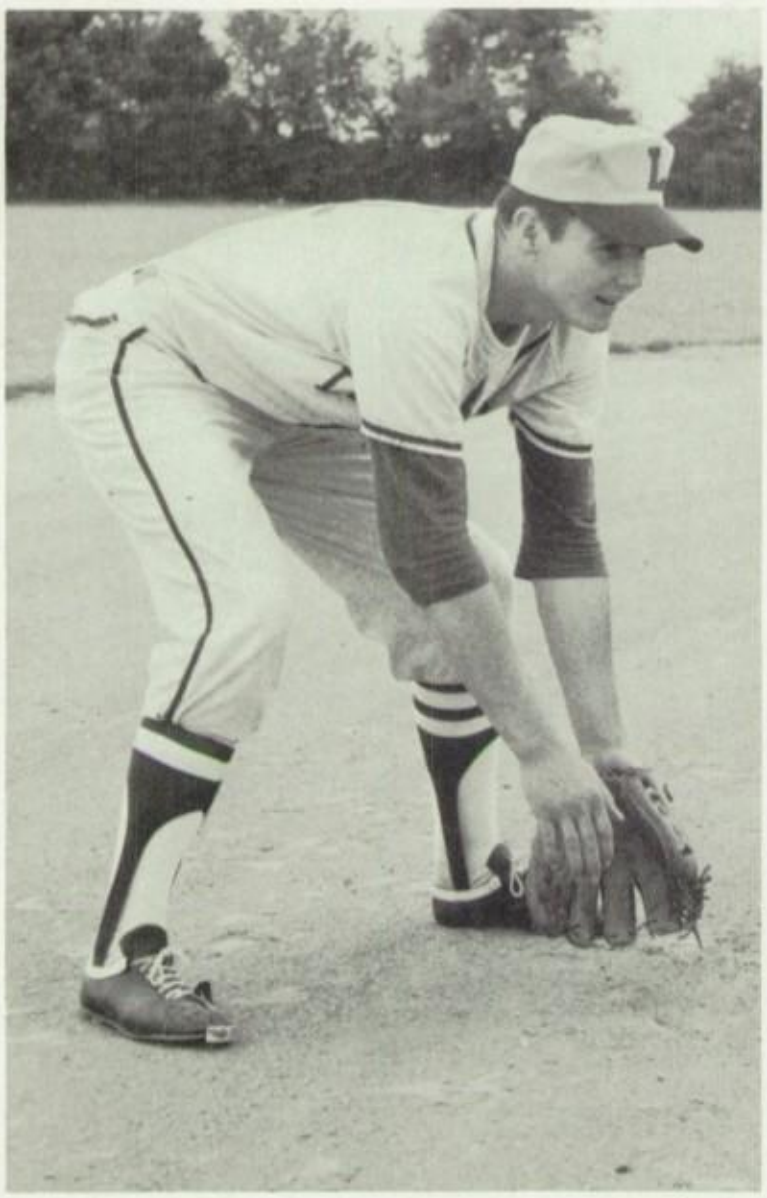
Limestone Places No. 1 in District



John Tidwill, a transfer from Manual contributed to the effort of the Rocket sluggers.

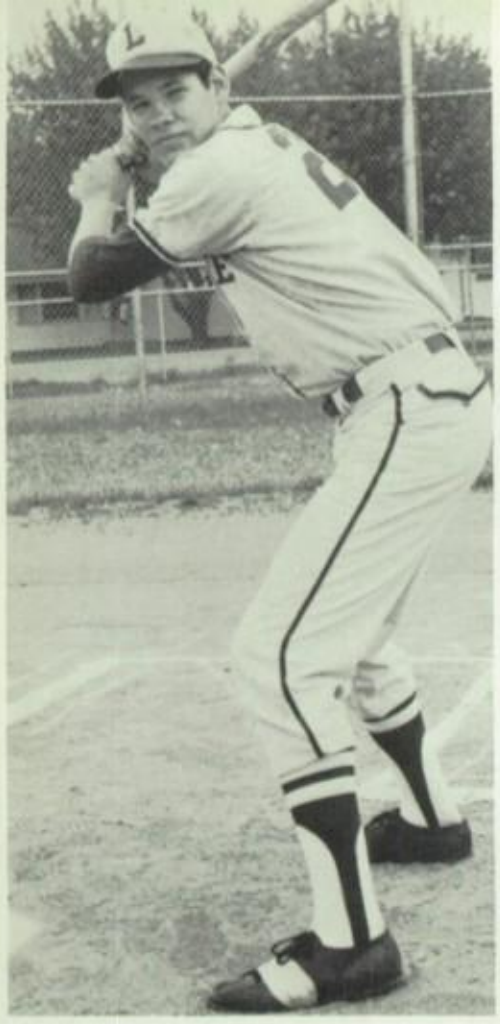
This year the Limestone Rockets were guided to a 14—12 season by Coach Schmitt. The Rockets placed 4th in the Mid-State 9 with a record of 8—8. In the Illini they were 5th with a 2—6 record. In tournament competition Limestone shot to a 4—1 win over Manual, and a 5—0 win over East Peoria for the District championship. In the regional the swinging Rockets blasted Morton 1—0, to be grounded by Pekin 3—0. This gave the team second place in the Regional.

The captain of this years team was Kenny Cruikshank. Kenny was voted Most Valuable Player, and was Mid-State 9 all conference 3rd baseman for his second year. Ron Quinn, a junior, was named to the Mid-State 9 first team as the all conference Utility Man. Another junior, Gary Burk, was named as Special Mention Catcher. The center of the team this year, Jon Henderson, was also named the Special Mention Pitcher of the Mid-State 9. These players alone did not account for the Rockets success. Others who put forth a great effort were seniors: Steve Reaktenwalt, John Tidwill, Denny Landwehr, Gary Wendlin, and juniors: Ron Moore, Steve Nelson, Tom Prichard, and Eric Jones.

On the whole it was an outstanding year. Early in the season the team did not seem to pose any threat. The team had the desire to win and did. Even though they compiled only a 14—12 record they placed first in the District, second in the regional, and 4th in the Mid-State 9.

Gary Burk, catcher for the Rockets, was named special mention catcher to the Mid-State 9 all conference team.

Ron Quinn, pitcher and second baseman, and first team Utility man for the Mid-State 9.



Steve Reaktenwalt played center field for the Rockets this year.

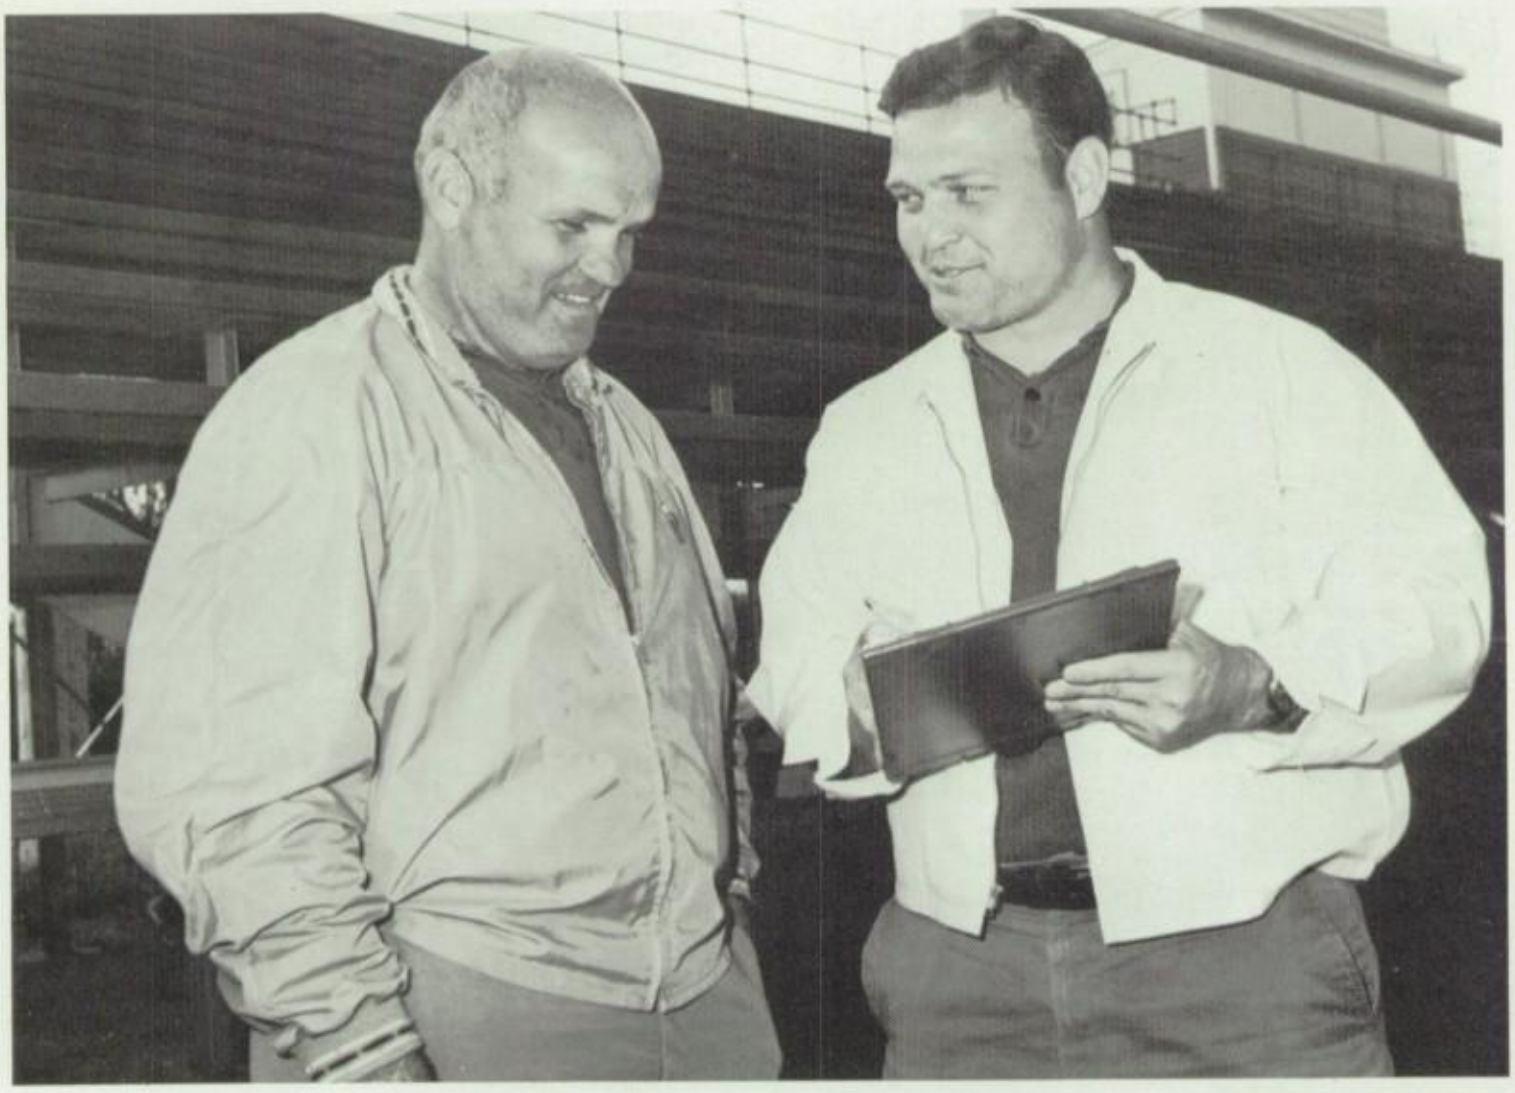
Track Team Runs to .500 Season



Head Coach Euteneuer and Assistant Coach Kasap led the track team of mostly underclassmen to a 4—4 season.

Brad Tyler broke his own school record in the discus with a throw of 154' 9".

Many underclassmen combined with three experienced seniors brought a surprising .500 season to the varsity track team in 1969. Brad Tyler was the team's outstanding performer. Brad had many double wins in dual meets, and was Mid-State 9 and Illini discus discus champion. He broke his own school record in the discus with a throw of 154' 9". Scott Miner and Keith Lowry performed consistently well in the mile and 880 yard runs, respectively. Lowry was also one of the area's better mile relay team members.

Juniors, Dan Wrenn, and Alan Cook, led the underclassmen with outstanding performances in the 440 yard dash and mile relay. First year man, Bob Norman had double wins in the high hurdles and high jump during the dual meet season. Sophomore, Larry Williams, excelled in the dashes, while classmate, Bob Somogyi shined in the low hurdles and mile relay. Freshman, Ron Fennell earned the varsity team many points with his performance in the low hurdles and broad jump, as did teammate Chuck Cemenska in the two mile run.

With many underclassmen on the varsity, Limestone's frosh-soph team still managed to win two dual meets. Promising performances were shown by many individuals. Two milers, Scott Durham and Ron Callear, 1 miler, John Mingus, and 880 men, Doug Bateson and Mike Cain composed a fine field of distance men. Steve Higgins scored well in both hurdle events, as did Terry Johnson in the dashes. Bob Hartseil, Randy Sutter, Ken Kellem, and Chuck Cemenska all showed promise in the pole vault event. Tom Slater was a consistent point earner in the weight events. Glen Saurs excelled in the long jump and high jump. Ed Elam, Cary Brinker, Jerry Lockhart, and Vern Cotton ran well in the 440 yard dash.

Glen Saurs participated in the varsity long jump and high jump as a freshman.

Limestone's "fantastic four" Keith Lowry, Bob Somogyi, Alan Cook, and Dan Wrenn

Bob Norman proved to be a valuable member of the team in the high hurdles and the high jump.

Larry Williams, a sophomore, needed no practice in getting out of the starting block. Larry excelled in all dashes.

Rockets Prepare for Homecoming

The 1968 homecoming activities were based on the theme, "Around the World". The fun-filled week began with an assembly on Monday to introduce the queen candidates and girls running for class attendants. The five senior girls nominated for queen were: Cathy Jarvis, Dawn Maloney, Lynn Maloney, Celeste Renshaw, and Debbie Simmering. The queen and her court were announced and crowned at the variety show on Wednesday. After the second variety show, all the loyal Rocket fans went to the annual bonfire. The cheerleaders led the enthusiastic crowd in spirited cheers, and the climax was reached when co-captains Larry Paulen and Brad Tyler threw the Warrior effigy into the roaring bonfire.

Friday morning, the varsity football team and the cheerleaders were served a "Breakfast of Champions," Wheaties, in the cafetorium. That afternoon all the brightly decorated cars and floats rode through Bartonville in the annual parade.

Float competition winners were announced at the football game Friday night during half-time. The Senior Class float won first place, while the Freshman float placed second. The winning homeroom car was senior homeroom 112's, entitled "Junk the Warriors" The Spanish Club had the best decorated organization car in the parade. That night the victorious Rockets tromped the Woodruff Warriors, 41—0.

The busy week was ended with the homecoming dance on Saturday night in the cafetorium.

Queen Cathy Jarvis

All the excitement of the 1968 homecoming week began at the variety show. The first evening the queen and her court were announced by Janet Owen. Last year's queen, Betty Birchler, crowned Cathy Jarvis to reign over homecoming. Cathy was escorted by Steve Hamm. Senior Attendant Lynn Maloney escorted by Bob Koeppel, Junior Attendant Kathy Stevenson escorted by Mike Slater, Sophomore Attendant Gwen Maloney escorted by Randy Light, and Freshman Attendant Jo Ann Clark escorted by Denny Rosenak completed the homecoming court.

The emcees of this year's show were out-of-this-world Martians Karen Knight and Forrest Krummel. The freshman skit, entitled "The Seven Seas," started all the zany fun of the skit presentations. Next the audience took a "Magical Mystery Tour of India" with the sophomores. "The Secret Collector" was enacted by the Senior Class, and "A Rocket Trip to San Francisco, Germany, and Japan" was presented by the Junior Class.

Entertainment between the skits was provided by Donna Taylor, The Swingin Safari, Carla Ketcham, the Rockettes and Rocketeers, the Starlighters, Janis Peters, and Ron Sweetin.

Following the variety show on Thursday, everyone snake-danced to the bonfire where Senior Class President Bob Choate accepted the plaque for the winning class skit. The Junior Class skit placed second.

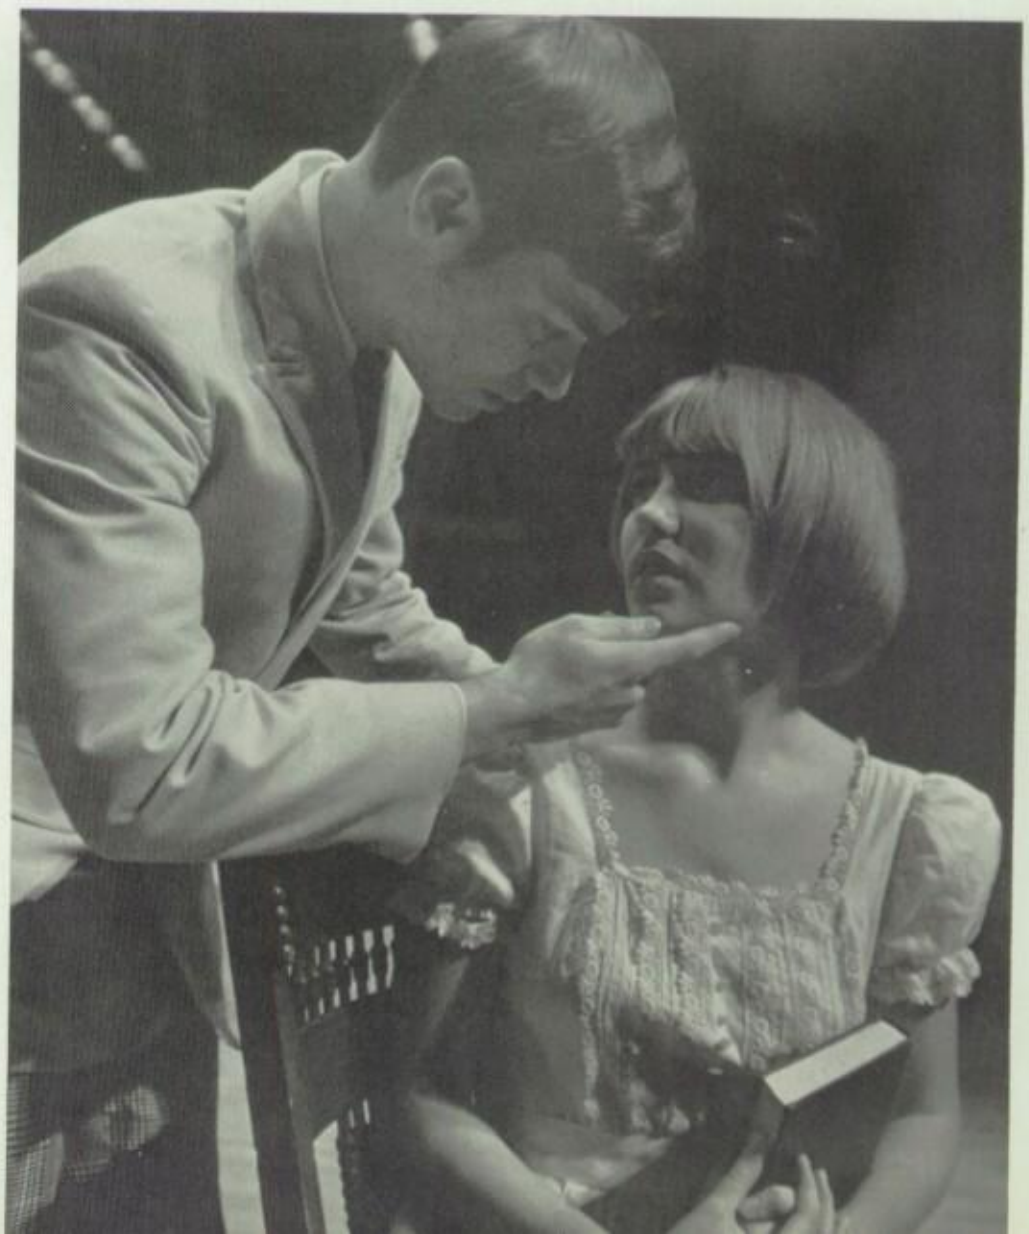
Hilarious Comedy—

The success of "Hillbilly Weddin' " could not have been achieved without the wise guidance and direction of Mrs. Diane Randle.

Paw and Ronald Maxwell are disgusted at Ceelie's filthiness, while Mrs. Maxwell turns her back in strong disapproval.

Maw Belsnickle informs Paw that he must get his two oldest daughters, Bonnie Mae and Ceelie "married off" before lovesick daughter, Jenny Lou, can marry.

There are a few tender moments reflected in this knee-slapping comedy, when Bonnie Mae and Ronald find true love.



Hillbilly Weddin'

On November 25 and 26, the 1968 fall play "Hillbilly Weddin'" was presented in the auditorium under the direction and guidance of Mrs. Diane Randle. This knee-slapping comedy involved the antics of a family of light-hearted husband hunters, namely Maw and Paw Belsnickle and their six daughters. All the rib-tickling excitement began when Jenny Lou (daughter number 3) wanted to get married. Maw refused to let her marry until the two oldest, Ceelie and Bonnie Mae got hitched. About that time two innocent visitors arrived on the scene—Mrs. Maxwell and her nephew, Ronald. Ceelie decided that Ronald was the man for her, so the race began as Paw got out his shotgun to track down poor Ronald. The chase ended happily in a double wedding ceremony uniting Ceelie and neighbor Obbie, and Bonnie Mae and Ronald.

The cast included: Mike Schermer, Paw; Gail Schlinder, Maw; Lana Eggers, Ceelie; Karen Crabtree, Bonnie Mae; Chris Franz, Jenny Lou; Phyliss Spoon, Mrs. Maxwell; Steve Petrini, Ronald; Tom DeMarini, Obbie; Ron Sweetin, Chiz; Rick Garmer, Zeek; Jean Shryock, Four; Debbie Hess, Five; and Marshelle Nelson, Six. There were also numerous dancers and members of the wedding party.

Cousin Zeke is shocked at Obbie's sudden femininity when Obbie dons Ceelie's dress in order to conceal himself from Paw.

Bonnie Mae, Obbie, Paw, Ronald, and Chiz are amazed at Ceelie's cleanliness after she finally took her first bath since last spring!

Twirp Week

From March 10 to 15 the Old West was relived at Limestone High. Twirp Week began on Monday which was designated "Wrangler Day". Everyone wore grubby wranglers and tennis shoes, or sandals and cut-offs. Tuesday was "Cookie Express Day". Boxes of cowboy and Indian cookies were purchased by the girls for twenty cents and sent with a message to the guys.

On Wednesday—"Law and Order Day"—the law was to dress up and the order, student government. In each class one student was voted to be the teacher. Also senior student council members assumed the roles of school superintendent, deans, and counselors. Thursday was "Bounty Day". Wanted posters for the most wanted outlaws were seen through the halls. Four boys from each class represented a well-known person from the "Old West".

Friday was a real "Stir-up Day" with the classes running backwards. The Cookie Express delivered cookies purchased on Tuesday to the guys.

Spring Play—'A

Walter Mitty, (Dean Albritton) works feverishly to save the life of a dying patient.

Did Mr. Preble get rid of his wife? Did the husband get sent to the booby hatch? What kind of secret life was Walter Mitty leading? All of these questions and more were answered at the spring play, 'A Thurber Carnival', presented April 18 and 19.

This was a two act comedy consisting of eleven short selections by James Thurber. Some of Thurber's more popular sketches were enacted: 'The Secret Life of Walter Mitty', 'Mr. Preble Gets Rid of His Wife', and 'The Night the Bed Fell'.

Mrs. Heisel, the faculty director, was aided by Tom DeMarini, student director, and Bill Murphy, stage manager, in the production of this fine play. Most cast members played more than one character in the different sketches. The cast members were: Dean Albritton, Crystal Anderson, Barbara Bergman, Vicki Bledsoe, Sue Bozarth, Barbara Brown, Diane Brown, Irene Bunner, Chris Franz, Rick Garmers, Chris Jakoby, Donna Kessinger, Sandy Kirkwook, Janis Peters, Kristy Quinn, Mike Schermer, Gail Schlinder, Greg Schwab, Steve Selman, and Ron Sweetin.

Junior-Senior Prom

On May 10, the 1969 Junior-Senior Prom was held in the brightly decorated school gymnasium and snack bar. Dancing began at 8:00 with music being provided by The Casuals. At 10:00 a buffet style dinner was served in the snack bar. The 'Tahitian Holiday' was highlighted when the queen and her court were presented. Steve Maxwell, president of the junior class, crowned Kathy Stevenson Queen of the 1969 Prom. Members of her court were: Val Lauterbach, Lynne Livengood, Cyndy O'Donnell, and Kathy Short. Prom favors were Buddha charms and candles.

Council Leads Student Body

Underclass and upperclass as well learn the steps of leadership through student government. Council members work with faculty, planning such activities as Homecoming, Care Week, Leadership Conference, Twirp Week, and the Carnival. Also all paid assemblies and many after game dances are Student Council sponsored.

This year's Council officers are President Sally Ragains, Vice-President Barb Moretto, Secretary Lynn Livengood, Treasurer Valerie Lauterbach, Advisors are Mr. Ken Johnson and Mr. Richard Ingram.

House of Representatives also plays a big part in responsible student leadership. Representatives, elected by their class, keep their individual homerooms informed on Homecoming, Christmas decorations, and the Carnival. House of Representatives also sponsored the Thanksgiving baskets and other service projects. House members took full control of the "Mission Impossible" program geared to keep the snack bar clean.

Presenting the Christmas Pageant and the Easter Assembly is one of the many functions of the Varsity Choir. Their presentation of "Love Is Blue" at the fall concert was another example of their fine singing ability. Under the leadership of Mrs. Irma Gorman, the choir travelled to Pekin for the Mid-State 9 Choral Concert. For the first time in the schools history the Varsity Choir entered state competition. Rounding out the year was the annual picnic.

Rockettes and Rocketeers is made up of highly trained vocalists. This group sings for clubs and organizations in the Peoria area. During the Christmas season Rockettes and Rocketeers appeared on Street Scene. They have also entertained at Booster Club, Homecoming Variety Show, and many other occasions.

Sophomore choir fills the halls with Christmas noel.

Starlighters Third in State

Varsity Band, under the direction of Mr. Cunningham, has gone far in the field of music. Varsity Band performs at all football games, pep assemblies, and many concerts. They have marched in the homecoming parade and the Santa parade. Band makes an annual trip to area grade schools, performing and encouraging future band members. Members of band raise money by selling candy. This helps cut down on travel expenses when they take their yearly St. Louis trip.

The Starlighters, Limestone's stage band, is made up of exceptionally talented band members, The Starlighters placed third in state competition.

Clubs Promote Occupations and Fun

Girls Athletics Association, better known as GAA, is a club for active girls on the move. The objective of GAA is to stay physically fit while having fun. Under the direction of Miss Brown, the girls participate in sports activities varying from trampoline to baseball to the popular winter swimming at the Y.W.C.A.

Any girl who has taken home economics is eligible for Future Homemakers of America. FHA strives to create a clear understanding of life. Junior and senior members can earn degrees from National Homemaker for their work in home economics.

FTA is open to anyone interested in teaching as a career. Future Teachers of America plan for the future while serving school and community. FTA sponsors "teacher appreciation week" when teachers are honored for their valuable service.

The Letterman's club consists of boys who have earned a varsity letter. These boys participate actively in sports events and work to earn equipment for the P.E. department. Each year during the initiation time, several boys are seen around the school wearing the sign with the slogan, "I am a L Club Pledge."

Industrial Arts Club is open to all boys interested in mechanics and industrial work. The members have workshops throughout the year to work on projects which they later sell.

Affiliated with the South Side Kewanis Club of Peoria, Key Club works to be of service to Limestone Community High School. All members of Key Club are sophomores, juniors, and seniors with higher than average scholastic ability and school spirit. One of the more popular projects is the soap drive. All the soap is donated to the Dixon Home for Retarded Children. The highlight of the Christmas season was the Key Club sponsored dance.

Y-Teens offers an exciting opportunity for Limestone girls to work with other clubs in the Peoria area. Y-Teens operates in conjunction with the Peoria YWCA. The annual sale of Christmas greens is the Y-Teens main money making project. Topping off the year is the Chicago fieldtrip.

Spacettes is an organization which helps girls learn grace, responsibility, and self-pride.

The Spacettes have marched at every home football game. They also marched in East Peoria's Homecoming, Limestone's Homecoming, and the Santa Claus Parade.

Besides practicing and preforming, the Spacettes earn money by sponsoring dances and bake sales. Last summer they collected soda pop bottles.

Congratulations!

After 12 years, you've got a good start on your education.

And you can plan on spending the rest of your life completing it. Because your education doesn't stop here—or with college, business school, or job training.

It continues . . . as life continues. The world will be your classroom, the future your curriculum. So keep up the good work. Our best wishes to you . . . as you continue your education.

TAKE TIME

There is a lifetime before you. Many of your aims and goals you have in mind, and you now stand ready to begin to walk down the path of your chosen future. As you go, take time . . . time to continue to learn, time to think, time to understand. Take time as your tool, and use it wisely, with the knowledge you have gained through your school years, to achieve the full and satisfying life you seek.

BRADLEY UNIVERSITY

At Bradley University, the student is the most important product.

In order to maintain the ideal curricular and extra-curricular facilities at Bradley, the full-time day enrollment is limited to 5,000 students. The present student body includes students from 45 states and 23 foreign countries. A large number of Peoria area students are also enrolled at Bradley each semester.

Extra-curricular activities are highly valued and carefully planned at the University to provide the student with a complete education that includes ample social contacts. Fifteen national fraternities and seven sororities combine with more than 75 other undergraduate organizations to offer each student a variety of potential interests.

To further the goal of the broadest and most complete education possible, a strong Air Force unit and a well-known lecture series are prompted by the University for the benefit of every member of the Bradley family.

Because of the large and varied curriculum which includes some 75 academic programs, a student may choose a concentrated area of study or one that provides a broad general education. The faculty-student ratio remains at 1:15, affording each student an opportunity to obtain the important counsel so necessary for success in today's business and professional worlds.

Best Wishes—We'll Miss You

rs. Tjarks had the important responsibility of keeping accurate records of tendance and text books.

Mrs. Peggy Tjarks left Limestone at the end of the school year to raise a family. Since the opening of the school sixteen years ago, students and faculty alike have always been greeted by a pleasant smile and a friendly hello in the bookstore and in the student service office. She will indeed be missed by all.

Serving Limestone for fourteen years, Miss Helen Schmidt retired to return to family and friends in St. Louis. In her more than fifty years of teaching Latin and social studies, Miss Schmidt has influenced the lives of countless young people who have passed though the doors of her classroom. Her intellectual honesty and instructional competence will long serve as a model for new faculty members.

Miss Schmidt exchanges quips with Mr. Leach at a surprise farewell luncheon given by the faculty.
